Why are you interested in participating in the Citizens Academy?

I am interested in participating as I have an appreciation and love for the county where I have lived all of my life. As a former state employee and the daughter of both a former fire chief and a school teacher, I have always been involved in public service. Gaining a greater understanding and knowledge of the government and resources of Greenville County would be beneficial.

Volunteer Experience / Civic Organizations:

- Woodmont Middle School PTA - Board Member 2022-2025 (Secretary and Treasurer)
- Friends in Responder Education (FIRE) - Board Member/Treasurer 2024 to present
- School Improvement Council - Woodmont High School 2018-2020 & Donaldson Career Center 2019-2021
- Augusta Road Ruritan Club - Former member
- Sandv Sorinas Baptist Church - Mission House Committee, Budget & Finance Committee & Youth Council

What specific skills do you believe you could contribute as a member of the academy?

I am a 1990 graduate of Presbyterian College with a degree in Accounting. I have work experience as a tax auditor for the SC Department of Revenue for 11 years, a chief financial officer of a multi-state environmental and construction company for 12 years, and currently provide accounting services for several small businesses. I have key skills of active listening, analytical thinking, organization, discernment, collaboration, and problem solving.

What are you most interested in learning during this academy?

I am excited to learn more about the interworking of the local government of Greenville County. I know there are many areas of the County operations that I simply do not know about and would love to learn. The procedures of elected officials and how the County makes their decisions is something I wish to learn as well.

Consistent attendance at sessions is important to fully benefit from the program. By submitting your application, you acknowledge you have reviewed the dates and understand this commitment.
