Why are you interested in participating in the Citizens Academy?

I want to better understand the local civic decision-making process and focus and to discover ways to support and impact more civic engagement from my friends and neighbors in Greenville County. I also think it will wonderful to get to know others who are also interested in this same opportunity.

Volunteer Experience / Civic Organizations:

Former board member Greenville's Interfaith Forum

Current Vestry Member at St James Episcopal Church

Co-Founder and Executive Director of the local nonprofit My Neighbor's Voice.

Reading Tutor Oakview Elementary

What specific skills do you believe you could contribute as a member of the academy?

I am open-minded and have excellent communications skills. I am also a good listener. Through my nonprofit My Neighbor's Voice, I encounter many Greenvillians from a wide range of ages, interests, and ethnicities with varied civic exposure. It would be a benefit if I could speak knowledgeably about what our county council does and how they represent all of their constituents.

What are you most interested in learning during this academy?

I want to discover what my local government officials want me to understand and appreciate about their responsibilities, expectations, and visions for Greenville County.

Consistent attendance at sessions is important to fully benefit from the program. By submitting your application, you acknowledge you have reviewed the dates and understand this commitment.
