Why are you interested in participating in the Citizens Academy?

I volunteer with the Greenville County Republican Party since 2023. I desire to keep up with government affairs. I work to make positive changes within my sphere of influence. I think this academy will increase my understanding how our government works and will increase my effectiveness to make Greenville County a better place to call home.

Volunteer Experience / Civic Organizations:

See above: I staff the office part-time, taking calls, and answering questions. I write letters and meet government officials. I work on committees within our party and I am the Treasurer of the Saluda Precinct.

What specific skills do you believe you could contribute as a member of the academy?

I graduated from Southern Wesleyan University with a bachelor degree in management of human resources. I held a steady job as a City Letter Carrier for 36 years. I spent four years enlisted in the Air Force in intelligence, and received an Honorable Discharge. I am married to a wonderful woman. Within the Post Office, I worked as a Union official in the capacity at various positions including Treasurer at both State & Local level and Trustee at the local level: 1998 till 2024.

What are you most interested in learning during this academy?

Everything. In reading through the session locations I found that I would like to know more on what transpires and how these facilities and departments operate. I am interested in developing relationships to further my primary. That goal is to make Greenville County a better place to call home.

Consistent attendance at sessions is important to fully benefit from the program. By submitting your application, you acknowledge you have reviewed the dates and understand this commitment.
