With Greenville County's accelerating growth, our region requires balancing that growth with the preservation of natural and historic assets. It would be a privilege to continue serving as a board member to help advance the HNRT mission.

To work with other board members to advance the HNRT mission, evaluate and rank applications from eligible entities based on established criteria, award grants to those projects that maximize the investment of available funding, and help effectively and transparently communicate the mission and grants to elected officials, the public, and potential grantees and project partners.

**Describe your strengths or skills that would positively contribute to the GREENVILLE COUNTY HISTORIC AND NATURAL RESOURCES TRUST:**

The Trust's mission to preserve and expand access to natural areas and historic sites aligns with my own professional and volunteer experience as a lifelong champion for local quality of life. I care deeply about enhancing local character and a shared "sense of place" that embraces history and community and the landscapes that define us. Practically, I have non-profit leadership experience as both a volunteer and professional.
