#### Experience / Certifications / Interest

**Military Experience:**

NA

**Certifications:**

Education Degree in Physical Education

**Civic Organizations / Other Affiliations:**

**Volunteer Experience (please list and describe):**

Over the summer I enjoy volunteering at Annies House. This is a community garden near my house that I help with the farming, taking care of animals and handing out food.

I recently worked my first election as a poll worker for the special election this past December.

**My interest in serving on the PARKS, RECREATION AND TOURISM ADVISORY BOARD is:**

I am both a Physical Education teacher, and a HUGE Runner! I run though Cleveland Park, and Unity park almost every day. I want to be able to give to these and other parks in the community what they have given to me. As a PE teacher I think I know what is really important in these public spaces for our young population, and what they want and need. I want to ensure that all my students have safe places to move their bodies outside.

**Describe your understanding of the position for which you are applying:**

In my own words this position would be in works with Greenville County about finances relating to parks related to new purchases upkeep on current land and parks. There is also work on tourism needs. This position works with Greenville County, County Council and citizens to make and keep Greenville the best city as possible!

**Describe your strengths or skills that would positively contribute to the PARKS, RECREATION AND TOURISM ADVISORY BOARD:**

I think my strengths that would help me contribute to this board is I always try to see both sides to an "issue" or topic and weigh the options. I am a huge park go-er as a runner, but also I know what kids want and need as a teacher (so I am a frequent park and community user). I am connected to many families and could hear back from them on what they think our parks need.

**My community topics of concern that relate to the PARKS, RECREATION AND TOURISM ADVISORY BOARD are:**

On a personal level I think emergency phones, and AEDS in all parks here in Greenville would help to keep our community safe. The parks here in Greenville are one of the many reasons why I love living here, I would want to work hard to keep up the great work that has already been done.
