(e) To the best knowledge of the undersigned representatives of the County, there is no action, suit, proceeding, inquiry, or investigation, at law or in equity, or before or by any court, public body, or public board which is pending or threatened challenging the creation, organization or existence of the County or its governing body or the power of the County to enter into the transactions contemplated hereby or wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated hereby or would affect the validity, or adversely affect the enforceability, of this Agreement, or any other agreement or instrument to which the County is a party and which is to be used in connection with or is contemplated by this Agreement, nor to the best of the knowledge of the undersigned representatives of the County is there any basis therefor.

SECTION 2.02. Representations and Covenants by the Company. The Company makes the following representations and warranties as the basis for the undertakings on its part herein contained:

(a) The Company is a limited liability company duly organized, validly existing, and in good standing under the laws of the State of South Carolina and qualified to do business in the State of South Carolina, has power to enter into this Agreement and to carry out its obligations hereunder, and by proper corporate action has been duly authorized to execute and deliver this Agreement.

(b) Neither the execution and delivery of this Agreement, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with the terms and conditions of this Agreement, will result in a material breach of any of the terms, conditions, or provisions of any corporate restriction or any agreement or instrument to which the Company is now a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien, charge, or encumbrance of any nature whatsoever upon any of the property or assets of the Company, other than as may be created or permitted by this Agreement.

(e) The Company agrees to reimburse the County for all reasonable expenses, including attorney's fees in the amount of \$6,000, to which it might be put in the review of this Agreement and in the fulfillment of its obligations under this Agreement and in the implementation of its terms and provisions.

(f) The Company agrees to maintain such books and records with respect to the Project as will permit verification of the Company's compliance with the terms of this Agreement and the certifications submitted to the County pursuant to Section 3.02(e) hereof. The Company, may, by clear, written designation, conspicuously marked, designate with respect to any book and records delivered or made available to the County segments thereof that the Company believes contain proprietary, confidential or trade secret matters. The County shall comply with all reasonable written requests made by the Company with respect to maintaining the confidentiality of such designated segments. Except to the extent required by law, the County shall not release information which has been designated as confidential or proprietary by the Company.

(g) In exchange for the Special Source Credits granted by the County herein, the Company hereby agrees not to claim the exemption from county taxes set forth in Section 12-37-220(A)(7) of the Code with respect to the Project. To the extent the Company receives such exemption, the Special Source Credits provided for herein shall be reduced by the amount of the exemption dollar for dollar.

(a) To the best of its ability, the County will at all times maintain its corporate existence and will use its best efforts to maintain, preserve, and renew all its rights, powers and privileges; and it will comply with all valid acts, rules, regulations, orders, and directions of any legislative, executive, administrative, or judicial body applicable to this Agreement.

ARTICLE III

SPECIAL SOURCE CREDITS

SECTION 3.01. Payment of Costs of Infrastructure.

The Company shall be responsible for payment of all Cost of the Infrastructure with respect to the Project as and when due.

SECTION 3.02. Special Source Credits.

(a) In order to reimburse the Company for a portion of the Cost of the Infrastructure with respect to the Project, the County shall provide to the Company Special Source Credits to be applied to reduce to the Fee Payments that would otherwise be due with respect to each property tax year during the Credit Period. Only portions of the Project placed in service prior to the end of the Investment Period shall be eligible for application of the Special Source Credits provided herein. The amount of the Special Source Credit to be applied with respect to each year of the Credit Period shall be as follows:

- (1) if the Tenancy Threshold Date occurs prior to the second anniversary of the Service Date, the amount of the Special Source Credit applicable to all property tax years within the Credit Period shall be equal to twenty percent (20%) of the Fee Payments which would otherwise be due with respect to such property tax years;
- (2) if the second anniversary of the Service Date occurs prior to the Tenancy Threshold Date, the amount of the Special Source Credit applicable to the First Fee Payment, and the Fee Payments due with respect to any subsequent property tax year commencing prior to the Tenancy Threshold Date, shall be equal to zero percent (0%) of such Fee Payments;
- (3) if the second anniversary of the Service Date occurs prior to the Tenancy Threshold Date, commencing with the first property tax year following the calendar year in which the Tenancy Threshold Date occurs, the amount of the Special Source Credit shall be equal to twenty percent (20%) of the Fee Payment due for each property tax year remaining in the Credit Period, if any; and

- (4) Special Source Credits for each property tax year shall be calculated and applied after payment of the amount due the non-host county under the Park Agreement.

The Credit Period shall not be extended beyond five (5) property tax years to allow the Company to recoup Special Source Credits for any property tax year with respect to which the amount of the Special Source Credits is equal to zero percent (0%) of the applicable Fee Payment.

(b) In no event shall the aggregate amount of all Special Source Credits claimed by the Company exceed the amount expended by them collectively with respect to the Infrastructure at any point in time. The Company shall be responsible for making written annual certification as to compliance with the provisions of the preceding sentence through the delivery of a certification in substantially the form attached hereto as Exhibit B.

(c) Should the Investment Target not be met by the end of the Investment Period, any Special Source Credits otherwise payable under this Agreement shall no longer be payable by the County, and the Company shall be retroactively liable to the County for the amount of the Special Source Credits previously received by the Company, plus interest at the rate payable for late payment of taxes. Any amounts determined to be owing pursuant to the foregoing sentence shall be payable to the County on or before the one hundred twentieth (120th) day following the last day of the Investment Period.

(d) Each annual Special Source Credit shall be reflected by the County's auditor or other authorized County official or representative on each bill for Fee Payments sent to the Company by the County for each applicable property tax year, by reducing such Fee Payments otherwise due by the amount of the Special Source Credit to be provided to the Company for such property tax year.

(e) As provided in Section 4-29-68 of the Code, to the extent any Special Source Credit is taken against fee in lieu of tax payment on personal property, and the personal property is removed from the Project at any time during the term of this Agreement (and not replaced with qualifying replacement property), the amount of the fee in lieu of taxes due on the personal property for the year in which the personal property was removed from the Project shall be due for the two (2) years immediately following such removal.

(f) THIS AGREEMENT AND THE SPECIAL SOURCE CREDITS BECOMING DUE HEREUNDER ARE LIMITED OBLIGATIONS OF THE COUNTY PROVIDED BY THE COUNTY SOLELY FROM THE FEE PAYMENTS RECEIVED BY THE COUNTY FOR THE PROJECT PURSUANT TO THE PARK AGREEMENT, AND DO NOT AND SHALL NEVER CONSTITUTE A GENERAL OBLIGATION OR AN INDEBTEDNESS OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL PROVISION (OTHER THAN THE PROVISIONS OF ARTICLE X, SECTION 14(10) OF THE SOUTH CAROLINA CONSTITUTION) OR STATUTORY LIMITATION AND DO NOT AND SHALL NEVER CONSTITUTE OR GIVE RISE TO A PECUNIARY LIABILITY OF THE COUNTY OR A CHARGE AGAINST ITS GENERAL CREDIT OR TAXING POWER. THE FULL FAITH, CREDIT, AND TAXING POWER OF THE COUNTY ARE NOT PLEDGED FOR THE SPECIAL SOURCE CREDITS.

(g) No breach by the County of this Agreement shall result in the imposition of any pecuniary liability upon the County or any charge upon its general credit or against its taxing power. The liability of the County under this Agreement or of any warranty herein included or for any breach or default by the County of any of the foregoing shall be limited solely and exclusively to the Fee Payments for the Project in the Park. The County shall not be required to execute or perform any of its duties, obligations, powers, or covenants hereunder except to the extent of the Fee Payments.

No such sale, lease, conveyance, grant or assignment shall relieve the County from the County's obligations to provide Special Source Credits to the Company, or any assignee of the same, under this Agreement as long as such assignee is qualified to receive the Special Source Credits under the Infrastructure Credit Act.

SECTION 4.03. Assignment by County. The County shall not assign, transfer, or convey its obligations to provide Special Source Credits hereunder to any other Person, except as may be required by South Carolina law.

SECTION 5.04. Nonwaiver. No delay or omission of the County or the Company to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default, or an acquiescence therein; and every power and remedy given by this Article V to any party may be exercised from time to time and as often as may be deemed expedient.
