

Proclamation

*On a motion from Councilor Alan Mitchell
Members of Greenville County Council wish to honor*

A Legacy of Flourishing

WHEREAS, ten years ago, Éleos Ministry established a profound and radical commitment to the Nicholtown neighborhood, choosing a path of permanence, persistent love, and long-term mentorship in a world often dominated by temporary connections and constant turnover; and

WHEREAS, Éleos Ministry operated on the deeply held belief that providing a stable foundation of support, resource, and relationship would allow neighbors to truly flourish and realize their full potential; and

WHEREAS, a decade of unwavering dedication has proven that consistency transforms communities, with the evidence beautifully written in the lives and stories of the residents of Nicholtown; and

WHEREAS, through this enduring presence, local students have been empowered to grow from elementary schoolers into confident, capable neighborhood leaders; and

WHEREAS, an entire generation has been inspired to reach for their God-given potential, moving forward with the absolute certainty that their Éleos family is forever in their corner.

NOW, THEREFORE, be it resolved that on July 12, 2026, Greenville County Council does hereby celebrate and honor Éleos Ministry for ten years of faithful service, enduring impact, and visionary leadership in the Nicholtown community, and we look forward to the continued flourishing born of this extraordinary legacy.

Signed this 12th day of July, 2026

*Benton Blount, Chairman
Greenville County Council*
