

RECORDING EASEMENTS

EFFECTIVE: August 1, 2026

The recording of an easement plat must meet the requirements for an Exempt plat as well as meet the following condition:

- Plat must not show proposed lot lines that have yet to be approved and processed.

If proposed lot lines are shown on plat the following note must be added to the plat:

- “The purpose of this plat is for the recording of the easement shown, not the recording of lot lines.”
