ACCOMMODATIONS TAX
The accommodations tax comes is based on annual hotel/motel gross receipts in the County. A two (2%) percent tax on hotel/motel rentals is collected by the State and remitted on a quarterly basis to the municipality or county in which it was collected. Funds are to be spent on tourism-related expenditures. The County’s Accommodations Tax Advisory Committee presented a recommendation to fund projects submitted by agencies and/or organizations for FY2006. The Committee reviewed all applications and determined the eligibility of each based on state accommodations tax law. Other factors used in the decision-making process were the need for funding and availability of tax funds in the new year. The projected funds available for project appropriation, based on prior year receipts and current room night usage, are $325,000.

### HOME INCARCERATION PROGRAM

The Home Incarceration Program is an alternative program that reduces the number of housed inmates in the Detention Center. Low-risk detainees are homebound. These detainees wear bracelets, which electronically track their location. Revenue is generated through inmate payments and is used to fund one position. The Department of Public Safety administers this program.

#### Budget Highlights

The two-year budget for the Home Incarceration Program for FY2006 and FY2007 is $102,052. The budget includes funding for 1.00 full-time equivalent position.

INFRASTRUCTURE BANK/RESERVE

The Infrastructure Bank was created in FY1997 as a result of a master ordinance and policy adopted in October 1996 regarding use of revenues from the various fee-in-lieu-of-tax and multi-county park agreements and transactions between the County and new industry. Revenue and expenditures for FY2006 and FY2007 is projected to be $4,724,189 and $4,612,548 respectively.

Economic Development Funding
A total of $1,224,928 of the Infrastructure Bank fund is set aside for funding of economic development programs. This includes $100,000 in funding for Upstate Alliance for the two-year budget. The remaining funds are allocated to the Greenville Area Development Corporation (GADC) for the biennium.

Capital Funding
Infrastructure Bank funds are also utilized to fund capital needs as a result of economic development. Through the issuance of special source revenue bonds, the County has the ability to fund infrastructure improvement projects. Six series of bonds have been issued to date:

- Series 1996 ($7,805,000) for the downtown parking garage project and communications system project
- Series 1997 ($3,860,000) for road paving improvements
- Series 1998 ($8,315,000) for road paving improvements, the communications system project, and the extension and improvement of the runway at Donaldson Center Industrial Park
- Series 1999 ($4,850,000) for road paving improvements

### MEDICAL CHARITIES
The millage collected for Charity Hospitalization (Medical Charities) is dedicated to the medical operations of the Detention Center with remaining funds allocated to the State of South Carolina for indigent health care. The funds provide for the care of the county’s medically indigent and incarcerated prisoners within the Detention Center. All functions (provision for investigation and approval of payment of Greenville County Detention Center inmates’ medical expenses) are being performed in the medical division of the Detention Center.

### Budget Highlights
The two-year budget for Medical Charities for FY2006 and FY2007 is $8,120,195, which is 14.5% less than the previous biennium budget. The budget includes funding for 36.00 full-time
equivalent positions. Budget enhancements for the Medical Charities Division include an appropriation for an addition of 5.0 full-time equivalent nursing positions in conjunction with the new detention center addition.
