Subject: Acadia Subdivision Phase 2 Revised Plans - Subdivision # 05152  
TM # 608.3-1-15.2 - Request for Variance for Tree

Dear Pat:

Please accept this request for a variance, on behalf of Acadia, LLC, for tree to be located in an island in Abenaki Drive. This island is shown on the revised Preliminary Plat dated 7/31/07. The tree is a significant specimen which adds to the character of the subdivision. Its location is not on a major thoroughfare and presents no hazard to traffic. It sits back from the intersection so that there are no sight distance concerns. As with the other islands and amenities, the property owners association will be responsible for landscaping and upkeep of the island.

Please contact me with any questions you may have.

Sincerely,  
SYNTERRA

A handwritten signature in black ink, appearing to read "Joe M. Barron". The signature is written in a cursive style with a long horizontal line extending to the right.
