An estate being divided among family**

We respectfully request a variance for the road length from 1200' +/- to 2150' total and would request a variance and approval for this road to be an unpaved shared drive in a zoned area. Also the Estate division for family will need to be for 9 lots. A preliminary plat entitled Dorland & Jennie Adams Subdivision was submitted on Feb. 3, 2004 and approved by Greenville County Planning Commission on Feb. 25, 2004 with same variance requests being granted. This project has been in progress since the approval date.

Thank you very much for your consideration of these requests.
