Water Management and Sediment Erosion Plan has been approved for this property and will be applied for Local Disturbing Activities. Each property owner will comply with this plan unless an individual plan is prepared and approved for that property.

There is a 2" Drainage and Utility Easement along each side of all side and rear lot lines and a 10' easement along all exterior lot lines.

Except as specifically stated on this plan, this survey does not reflect any of the following which may be applicable to the subject property, right-of-way, zoning, other than applicable zoning, or any other facts that an accurate and current title search may disclose. This survey does not constitute a title research, field study, valuation, delineation, or environmental inspection by surveyor.
