**RE: Plantation Ridge at Glassy
Tax Map No. 637.3-1-35
Hwy 11
Greenville County, SC**

Dear Commission Members:

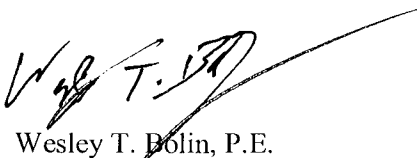

On behalf of the developer, SGH Properties, LLC, we are requesting the following variances for Plantation Ridge at Glassy.

- Eagles Ridge Drive, located on the eastern side of the property, is longer than the maximum 1200 lf recommended without providing a turnaround. We are proposing to add an interim cul-de-sac at the edge of the Duke Power R/W. Eagles Ridge Drive would then continue into Section L as a private drive. We are requesting a variance to allow for 1950 lf of private road on Eagles Ridge Drive without a turnaround.
- We are proposing to use curb and gutter for all roads. Therefore, we are requesting a variance to use the urban design standards for pavement width and right-of-way width. However we are proposing to use the mountainous terrain design standards for design speed, vertical curves, maximum grades, horizontal curves, and tangents between reverse curves.

The multi-family units in Sections L & M are to be individually sold as condominiums. Therefore the condominium regime would own and maintain the common areas. The common areas are outside of the condominium walls. Please see the enclosed floor plans and elevations.

We appreciate your time and consideration.

Sincerely,

Wesley T. Dolin, P.E.
