Re: Blue Waters – Formerly Blue Water & Lake Robinson Heights (County File #06-236)
(Subdivision Name Change)
GEC# 260158 - “D”

Dear Pat:

I am writing this letter in order to request a subdivision name change on the above referenced project. The County File number is #06-236. The preliminary plat was submitted as Lake Robinson Heights. The owner then went back and changed the name to Blue Water for submittal of design drawings. Now the owner is requesting that we change the subdivision name to Blue Waters. I have already received approval on the name change through the E-911 department at Greenville County. Please feel free to call with any questions or concerns that you might have at (864) 297-3027, Ext. 49 or via email at paulh@grayengineering.com.

Sincerely,
