Deed Book 870, page 433

DATE June 19, 1969

Dear Mr. Hatcher:

At the request of Mr. Vance Goode, who talked with you in the Courfhouse in Greer about a week ago, I append hereto deed for recording. Vance tells me there is no money consideration; hence, probably no necessity of documentary stamps, but not being familiar with your laws, I respectfully request that the necessary be accomplished, recording the deed, returning to me, together with your statement of costs and fee which I will have Mr. Goode immediately defray.

Most cordially yours,

Alan C. Winter, Jr.
