that may in any way endanger the proper operations  
of same.

It is understood and agreed that the easement

the top of the pipe is less than eighteen (18) inches  
underground.

It is further agreed and as a part of the  
consideration hereof that the grantor herein, his heirs  
and assigns, may make taps or connections with said  
pipe line at his own expense provided, however, that  
such connections or taps be made only under the  
rules and supervision of the engineers representing  
Greater Greenville Sewer District Commission or their  
successors.

It is further understood and agreed that in  
case of future damage to crops or property due from  
accident in said pipe line that Greater Greenville
