00

O-

It being understood that by this right of way and easement the right and privilege of entering upon the aforesaid strip of land to construct and maintain within the limits of the same a pipe for the purpose of controlling the drainage of surface water as above set out.

As additional consideration on the part of the grantee for the rights and privileges hereinabove expressed, the grantee grants to the grantor such privilege as said grantee is legally capable of granting the rights to the grantor, its tenants, successors and assigns in title such right and privilege as the grantee has to the joint use of an alley running from grantee's property to Laurens Road and which alley is adjacent to the property of the grantor.

It being understood that the easement herein granted to the grantor by the grantee in this document is limited to such rights and ownership as the grantee may have to said alley which is the joint use of said alley with the grantee and another property owner.

It being understood that this right of way, when executed in duplicate, it binding on the grantor, his heirs and assigns forever.

IN WITNESS WHEREOF, we have executed this instrument this In the Presence Of: 23rd day of November, 1976.

James W. Andusmf.

M. Shaluly
