and encroaching on my (our) land a distance of _____ feet, more or less, and being that portion of my (our) said land

25 feet wide, extending 12 1/2 feet on each side of the center line as same has been marked out on the ground, and being shown on a print on file in the office of the Metropolitan Sewer Subdistrict. During construction said right of way shall extend a total width of 40 feet, extending 20 feet on each side of the center line.

which is recorded in the office of the R. M. C. of the State and State and County in Mortgage Book _____ at Page _____
and that he (she) is legally qualified and entitled to grant a right of way with respect to the lands described herein.

The expression or designation "Grantor" wherever used herein shall be understood to include the Mortgagor, if any there be.

2. The right of way is to and does extend to the Grantee, its successors and assigns the following: The right and privilege of entering the aforesaid strip of land, and to construct, maintain and operate within the limits of same, pipe lines, manholes, and any other adjuncts deemed by the Grantee to be necessary for the purpose of conveying sanitary sewage and industrial wastes, and to make such relocations, changes, renewals, substitutions, replacements and additions of or to the same from time to time as said Grantee may deem desirable, the right at all times to cut away and keep clear of said pipe lines any and all vegetation that might, in the opinion of the Grantee, endanger or injure the pipe lines or their appurtenances, or interfere with their proper operation or maintenance; the right of ingress to and egress from said strip of land across the land referred to above for the purpose of exercising the rights herein granted, provided that the failure of the Grantee to exercise any of the rights herein granted shall not be construed as a waiver or abandonment of the right thereafter at any time and from time to time to exercise any or all of same. No building shall be erected over said sewer pipe line nor so close thereto as to impose any load thereon.

3. It is agreed, That the Grantor of this strip of land, may plant crops, maintain fences and use this strip of land, provided, That crops shall not be planted over any sewer pipes where the tops of the pipes are less than eighteen (18) inches under the surface of the ground, that the use of said strip of land by the Grantee shall not, in the opinion of the Grantee, interfere or conflict with the use of said strip of land by the Grantee for the purpose of growing meat, fruit, and vegetables shall be made of the said strip of land that would, in the opinion of the Grantee, interfere and injure a general excavation of the sewer piping or their apparatus, pipes.

It is further agreed that in the event of building or other work done above the elevated portions of said sewer pipe line, no claim for damages shall be made by the City against the owner or any contractor of any damage that might occur to such structure, building or contents thereof due to the operation, maintenance or negligence of operation or maintenance, of said pipe lines or their appurtenances, or any damage resulting from any acts of the City or its agents or servants in the course of their employment.
