between

Optionee agrees that the assignment of the Lease and any deed conveying title under this Agreement shall, at the request of the Optionee, contain a provision in form and substance, which is satisfactory to Optionee to the effect that Optionee's fee estate and the estate of the tenant under the lease with respect to the Premises shall not be merged as a result of any conveyance or assignment and shall remain separate and distinct estates, with tenant's estate being subordinate to Optionee's estate.

(4) Optionee represents and warrants that it has not dealt with any broker in connection with this transaction except Bob R. James. Optionee shall not be responsible for the payment of any brokerage commission in connection with this Agreement, the granting or exercise of the Option or the purchase of the Premises, it being agreed that any brokerage commission in connection with the above stated, shall be paid by the Optionee, and this agreement shall survive the closing of this transaction if this Option is exercised.

(5) Optionee shall, upon Optionee's demand, execute acknowledgement, and deliver a memorandum of this Agreement in recordable form and an appropriate record facsimile or amendment of it to any party Optionee directs.

(6) The covenants and agreements of the Optionee contained in this Agreement are accepted by Optionee as the covenants and agreements of any corporation named at the top of the first page, and of no other person, firm, or corporation and shall be enforceable by Optionee against any other person, firm, trust, or corporation as either disclosed or undisclosed principals together with Lease, who joins said corporation in endeavoring this Option as Optionee, giving the Optionee full recourse against him, his heirs, assigns, successors, and administrators. This Option is binding on the heirs, assigns, trustees and successors, of the Optionee in the event of its death or incompetence.

(7) All notices to be given under this Agreement shall be given to the parties to receive such notice in writing and shall be sent by certified or registered mail, return receipt requested to the permanent address of the party to receive such notice or to such other address of which the notifying party shall have been notified.

(8) In the event Optionee elects to exercise the Option hereby granted, Optionee shall obtain and furnish a written statement from any lender requesting full or partial balance, method of payment, annual interest rate and all information that all payments are current and there are no encumbrances as of the date of closing of sale. The Optionee shall take title subject to any mortgages above and to debts and charges of the foregoing balance as of the date of closing of the principal balance at time of sale closing from the cash and purchase price received herein. In the event a mortgage requires a release or payoff of the Option by the Mortgagee in order to avoid default, the Mortgagee may approve Optionee, then Optionee, at his option, may rescind the contract and be relieved of all further liability hereunder with full reservation of the Option consideration previously advanced.

(9) It is understood and agreed that all understandings and agreements previously made between the parties are merged in this contract, which alone fully and completely expresses their agreement, and that the same is entered into after full investigation, neither party relying upon any statement or presentation not embodied in this contract, made by the other. The Optionee has signed and affixed his mark on the Premises and has mentioned any personal property and is thoroughly acquainted with its condition and agrees to take title in the condition in which he found it, except as provided for herein, subject to reasonable use, fair wear and tear and natural deterioration between the date of this Agreement and closing of Title.

(10) The covenants herein contained shall bind, and the benefits and advantages shall accrue to, the respective heirs, executors, administrators, successors and assigns of the parties hereto. Whenever used, the singular number shall include the plural, the singular, and the use of any gender shall include both genders. No provision of this Agreement may be changed or terminated orally.

(11) Special conditions. In the event of bankruptcy or insolvency, the Optionee's right of redemption on the property above if any shall transfer to the Optionee without further compensation and this Option shall serve as a conveyance without further actions by the Optionee. The parties have executed this Agreement on the day and year which is first written above.
