CUNTY OF GREENVILLE

AFFADAVIT

PERSCNALLY appeared before me G. V. Sloan who, being duly sworn, deposes and says: That he is a resident of Greenville County, South Carolina, residing on Route 2, Green, South Carolina. That he is fifty-six (56) years of age and a son of Alice Center Sloan.

That Deponent is quite familiar with that certain tract of land containing forty (40) acres, more or less, in the Jordan School Community, Greenville County, acquired by Lech N. Few from Alice Center Sloan, on or about July 19, 1968. That of Deponent's own knowledge and belief, his mother acquired said property under the will of Deponent's grandfather, G. R. Center. That, prior to the death of G. R. Center in 1947, Deponent's father, Smiley Sloan, had cultivated and farmed said tract of land for some twenty (20) years.

That to the best of Deponent's knowledge and recollection, his mother, father and grandfather were in continuous and exclusive possession of said tract of land from approximately 1912 to 1968, a period of some fifty-six (56) years. That no question has ever been raised concerning the exmership of said tract of land or its boundary lines. That a residence was built upon said tract by Deponent's grandfather and timber from said tract of land was used to construct the home of Deponent's parents while he was a mere child.
