PSUE IN THE COURT OF COMMON PLEAS

DAVID K, ORDERS,

Petitioner

vs.

DECREE

STEWART SPINKS, d/b/a SPINX OIL CO., INC., and THE COUNTY OF GREENVILLE,

Respondents

This matter comes before me on the 15th day of September, 1981, upon Petition seeking the closing or abandonment of a street or alleyway described in the pleadings.

The matter was transferred to me pursuant to Order of the Honorable C. Victor Pyle, Jr., for the taking of testimony and the rendering of a final Decree and Judgment. Petitioner appeared and was represented by Stuart G. Anderson, Jr., The County of Greenville was represented by Deborah Westbrook, Assistant County Attorney. Petitioner testified that he was a principal in and was appearing for Orders Realty Company, Incorporated; the Defendant, Stewart Spinks was not present but filed a Reply joining in the prayer for relief sought in the Petition.

It appears that the County of Greenville was duly and properly served with the Petition and that said Petition addresses subject matter of which this Court has jurisdiction. Pursuant to the statutory requirements of Section 57-9-10 of the 1976 Code of Laws for the State of South Carolina, as amended, the Petitioner has published Notice of Intent to file an action seeking the abandonment or closing of the street or alleyway. It appears and I find that proper notice has been given by Petitioner to all abutting property owners and that their consents to the action have been obtained and are filed as part of and with the transcript in this matter.

Petitioner presented as an exhibit a plat depicting the properties owned by abutting landowners and showing the street or alleyway which
