Dear Sir:

This is to inform that the Southern Bell Telephone and Telegraph Company will provide telephone facilities to the new 450 unit apartment complex on Grove Road in Greenville County. We request that your firm furnish us a site plan as soon as one is available to allow us adequate time to plan and build the telephone facilities to the apartment location.

If you should require additional information, contact Rita J. Duckett at 298-9761.

Yours truly,

T. T. Tyler
