

such series, and the Trustee shall designate the portions of the Notes of each such registered owner to be prepaid. Upon any such partial prepayment, each Instalment Payment and the remaining principal balance thereof, if any, which shall thereafter be payable on any Note which has been prepaid shall be proportionately reduced so that upon the due payment of all remaining Instalment Payments thereon so reduced and any such remaining principal balance so reduced there shall have been paid to the registered owner of such Note the entire unpaid principal amount thereof together with accrued interest thereon. Upon any such reduction of the Instalment Payments, the Company shall provide the Trustee with an amortization schedule for each Note then partially prepaid, setting forth the payments of principal and interest required to be made on such Note after the date of such partial prepayment.

Section 6.5. Notice of Prepayment. In case of any prepayment of Notes, notice thereof shall be sent by the Company or, at the request of the Company, by the Trustee, by prepaid registered or certified mail to the registered owner of each Note to be prepaid at its address appearing on the Register, at least 20 days prior to the date fixed for prepayment. Any such notice so mailed shall conclusively be presumed to have been given to such registered owner whether or not such registered owner actually received such notice. Such notice shall specify the date fixed for prepayment, the principal amount of each Note to be prepaid and the applicable premium thereon, if any.
