

100-11118 with all nodes regular the rightmost node has a value of 1.0. The leftmost node has a value of 0.0. This was probably a consequence of the initial condition of the simulation. The values of the other nodes were distributed randomly between 0.0 and 1.0. The values of the nodes at the boundaries of the simulation box were set to zero. The values of the nodes in the interior of the simulation box were determined by the values of the nodes in the neighborhood of each node. The values of the nodes in the neighborhood of each node were determined by the values of the nodes in the neighborhood of each node.

The Mortgagor represents and warrants that said Mortgagor is entitled to the property described in the Mortgagor's title to the property, that the above-described premises are free and clear of all liens or other encumbrances, except the Mortgagor's debt, and that the Mortgagor has no other debts or encumbrances of record against the same, and that the Mortgagor will defend the title to the Mortgaged premises against all persons, and will indemnify the Mortgagor from and against the Mortgagor and every person who sues or law suits the Mortgagor in respect of such title.

THE MOBILAGOR COVANTS AND AGREES AS FOLLOWS:

- That the Mortgagor will promptly pay the principal and interest on the indebtedness evidenced by or otherwise held at the times and in the manner therein provided.
  - That this mortgage will secure the Mortgagor for any additional sums which may be allowed by action at the option of the Mortgagor for the payment of taxes, or public assessments, hazard insurance premiums, rents or other sums payable pursuant to the provisions of this mortgage, and also for any loans or advances that may hereafter be made by the Mortgagor to the Mortgagor under the authority of Sec. 45-55, 1962 Code of Laws of South Carolina as a result of such loans or advances so received shall bear the interest at the same rate or rates as that provided in said note unless otherwise agreed upon by the parties and shall be payable at the demand of the Mortgagor, unless otherwise provided in writing.
  - That Mortgagor will keep the improvements on the mortgaged premises, whether now existing or hereafter to be created, insured against loss by fire, windstorm and other hazards in a sum not less than the balance due thereon at any time, and in any company acceptable to the Mortgagor, and Mortgagor has hereby agreed to the policy or policies and amounts to the Mortgagor and agrees that all such policies shall be held by the Mortgagor should it so require, and shall include loss payable clauses in favor of the Mortgagor, and in the event of loss, Mortgagor will give immediate notice thereof to the Mortgagor by registered mail, and should the Mortgagor at any time fail to keep said premises insured or fail to pay the premiums for such insurance, then the Mortgagor may cause Mortgagor to be insured in the name of the Mortgagor and render itself for the cost of such insurance, with interest as hereinabove provided.
  - That the Mortgagor will keep all improvements upon the mortgaged premises in good repair, and should Mortgagor fail to do so the Mortgagor may, at its option, enter upon said premises and make whatever repairs are necessary and charge the expenses for such repairs to the mortgage debt and collect the same under this mortgage with interest as hereinabove provided.
  - That the Mortgagor may at any time require the issuance and/or retention of insurance, upon the life of any person obligated under the indebtedness secured hereby in a sum sufficient to pay the mortgage debt, with the Mortgagor as beneficiary, and if the premiums are not otherwise paid, the Mortgagor may pay said premiums and any amount so paid shall become a part of the mortgage debt.
  - That Mortgagor agrees to pay all taxes and other public assessments levied against the mortgaged premises on or before the due dates thereof and to exhibit the receipts therefor at the offices of the Mortgagor immediately upon payment, and should the Mortgagor fail to pay such taxes and assessments when the same shall fall due, the Mortgagor may, at its option, pay the same and charge the amounts so paid to the mortgage debt and collect the same under this mortgage with interest as above provided.
  - That if this mortgage secures a "Construction Loan", the Mortgagor agrees that the unpaid amount of the indebtedness hereby secured shall be disbursed to the Mortgagor in periodic payments, as construction progresses, in accordance with the terms and conditions of a Construction Loan Agreement which is separately executed but is made a part of this mortgage and incorporated herein by reference.
  - That the Mortgagor will not further encumber the premises above described, without the prior consent of the Mortgagor, and should the Mortgagor so encumber such premises, the Mortgagor may, at its option, declare the indebtedness hereby secured to be immediately due and payable and may institute any proceedings necessary to collect said indebtedness.
  - That should the Mortgagor declare the mortgaged premises by Contract of Sale, Bond, or Title or Deed of Conveyance, and the within mortgage indebtedness as not paid in full, the Mortgagor or his Purchaser shall be required to file with the Association an application for an assumption of the mortgage indebtedness, pay the reasonable cost as required by the Association for processing the assumption, furnish the Association with a copy of the Contract of Sale, Bond, or Title or Deed of Conveyance, and have the interest rate on the loan balance existing at the time of transfer modified by increasing the interest rate on the said loan balance to the maximum rate per annum permitted to be charged at that time by applicable South Carolina law, or a lesser increase in interest rate as may be determined by the Association. The Association will notify the Mortgagor or his Purchaser of the new interest rate and monthly payments and will mail him a new payoff. Should the Mortgagor, or his Purchaser, fail to comply with the provisions of the within mortgage, the Mortgagor, at its option, may declare the indebtedness hereby secured to be immediately due and payable and may institute any proceedings necessary to collect said indebtedness.
  - That should the Mortgagor fail to make payments of principal and interest as due on the promissory note and should any monthly installment become past due for a period in excess of 15 days, the Mortgagor may collect a "late charge" not to exceed an amount equal to five (5%) per centum of any such past due installment in order to cover the extra expense incident to the handling of such delinquent payments.
  - That the Mortgagor hereby assigns to the Mortgagor, its successors and assigns, all the rents, issues, and profits accruing from the mortgaged premises retaining the right to collect the same so long as the debt hereby secured is not in arrears of payment, but should any part of the principal indebtedness, or interest, taxes, or fine insurance premiums, be past due and unpaid, the Mortgagor may, without notice or further proceedings take over the mortgaged premises, if they shall be occupied by a tenant or tenants, and collect said rents and profits and apply the same to the indebtedness hereby secured, without liability to account for anything more than the rents and profits actually collected, less the cost of collection, and any tenant is authorized, upon request by Mortgagor, to make all rental payments direct to the Mortgagor, without liability to the Mortgagor, until satisfied to the contrary by the Mortgagor, and should said premises at the time of such default be occupied by the Mortgagor, the Mortgagor may apply to the Judge of the County Court or to any Judge of the Court of Common Pleas who shall be resident or presiding in the county, dissolved for the appointment of a receiver with authority to take possession of said premises and collect such rents and profits, applying said rents, after paying the cost of collection, to the mortgage debt, without liability to account for anything more than the rents and profits actually collected.
  - That the Mortgagor, at its option, may require the Mortgagor to pay to the Mortgagor, on the first day of each month until the note secured hereby is fully paid, the following sums in addition to the payments of principal and interest provided in said note, a sum equal to the premiums that will next become due and payable on policies of mortgage liability insurance, if applicable, fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged premises, all as estimated by the Mortgagor, less all sums already paid therefor, divided by the number of months to elapse before one month prior to the date when such premiums, taxes, and assessments will be due and payable, each sum to be held by Mortgagor to pay said premiums, taxes, and special assessments. Should these payments exceed the amount of payments actually made by the Mortgagor for taxes, assessments, or insurance premiums, the excess may be credited by the Mortgagor on subsequent payments to be made by the Mortgagor, if, however, said sums shall be insufficient to make said payments when the same shall become due and payable, the Mortgagor shall pay to the Mortgagor any amounts necessary to make up the deficiency. The Mortgagor further agrees that, at the end of ten years from the date hereof, Mortgagor may, at its option, apply for renewal of mortgage liability or similar insurance, if applicable, covering the balance then remaining due on the mortgage debt, and the Mortgagor may, at its option, pay the single premium required for the remaining years of the term of the Mortgage, may pay such premium and add the same to the mortgage debt, in which event the Mortgagor shall repay to Mortgagor such premium payment, with interest, at the rate specified in said promissory note, in equal monthly installments over the remaining payment period.
