III. MOLICACOR COVENANTS AND AGREES AS FOLLOWS:

- That the Mortgagor will promptly pay the principal and interest on the indebtedness due and owing upon this note at the times and in the manner theremore provided.
 - That this mortgage will secure the Mortgagor for any additional sums which may be assessed against the indebtedness of the Mortgagor, for the payment of taxes, or public assessments, levied against the mortgaged premises or any part thereof, and shall also pay all costs to the procreators of this mortgage, and also for any fees or charges that may hereafter be levied by the Mortgagor or the Mortgagor under the authority of Sec. 45-55, 1942 Code of Laws of South Carolina, and the same shall be collected by the Mortgagor and shall bear the interest at the same rate of interest as that provided in said note, unless otherwise agreed to, and the same shall be paid by the Mortgagor, and shall be paid at the demand of the Mortgagor, unless otherwise provided in writing.
 - That Mortgagor will keep the improvements on the mortgaged premises, whether now existing or hereafter to be erected, in good and sound condition, and shall not less than the legal time before the date of maturity, pay all amounts or expenses, except those due to the Mortgagor, and Mortgagor shall hereby assign the right to collect all such amounts due to the Mortgagor, and agrees that all such amounts shall be held by the Mortgagor, should such amounts not be paid by the date of maturity of the Mortgage, and in the event of loss, Mortgagor will give prompt notice thereof to the Mortgagor by registered mail, and should the Mortgagor at any time fail to keep said premises named or fail to pay the premiums for such insurance, then the Mortgagor may cause such improvements to be insured in the name of the Mortgagor and render an account for the cost of such insurance, with interest as hereinabove provided.
 - That the Mortgagor will keep all improvements upon the mortgaged premises in good repair, and should Mortgagor fail to do so, the Mortgagor may, at its option, enter upon said premises and make whatever repairs are necessary and charge the expenses for such repairs to the mortgage debt and collect the same under this mortgage, with interest as hereinabove provided.
 - That the Mortgagor may at any time require the return and cancellation of mortgage upon the date of any person obligated under the indebtedness covered hereby in a sum sufficient to pay the mortgage debt, with the Mortgagor as beneficiary, and if the premiums are not otherwise paid, the Mortgagor may pay said premiums and any amount so paid shall be added a part of the mortgage debt.
 - That Mortgagor agrees to pay all taxes and other public assessments levied against the mortgaged premises on or before the due dates thereof and to deliver the receipts therefor, at the office of the Mortgagor immediately upon payment, and should the Mortgagor fail to pay such taxes and assessments when the same shall fall due, the Mortgagor may, at its option, pay the same and charge the amounts so paid to the mortgage debt and collect the same under this mortgage, with interest as hereinabove provided.
 - That if the mortgage secures a "Construction Loan", the Mortgagor agrees that the principal amount of the indebtedness hereby secured shall be advanced to the Mortgagor in periodic payments, as construction progresses, in accordance with the terms and conditions of a Construction Loan Agreement which is separately executed but is made a part of this mortgage and incorporated herein by reference.
 - That the Mortgagor will not further encumber the premises above described without the prior consent of the Mortgagor, and should the Mortgagor encumber said premises, the Mortgagor may, at its option, reduce the indebtedness hereby secured to be immediately due and payable and may institute any proceedings necessary to collect said indebtedness.
 - That should the Mortgagor alienate the mortgaged premises by Contract of Sale, Bond for Title, or Deed of Conveyance, and the action on mortgage indebtedness is not paid in full, the Mortgagor or his Purchaser shall be required to file with the Association an application for an assumption of the mortgage indebtedness, pay the transfer deposit as required by the Association for processing the assumption, furnish the Association with a copy of the Contract of Sale, Bond for Title, or Deed of Conveyance, and have the interest rate on the loan balance existing at the time of transfer increased by increasing the interest rate on the said loan balance to the maximum rate per annum permitted to be charged at that time by applicable South Carolina law, or a lesser increase in interest rate as may be determined by the Association. The Association will notify the Mortgagor of the purchase of the new interest rate and monthly payments, and will mail him a new passbook. Should the Mortgagor, or his Purchaser, fail to comply with the provisions of the within paragraph, the Mortgagor, at its option, may reduce the indebtedness hereby secured to be immediately due and payable and may institute any proceedings necessary to collect said indebtedness.
 - That should the Mortgagor fail to make payments of principal and interest as due on the promissory note and the same shall be unpaid for a period of thirty (30) days, or if there should be any failure to comply with and abide by any laws or the charter of the Mortgagor, or any regulations set out in this mortgage, the Mortgagor, at its option, may write to the Mortgagor at his last known address giving him thirty (30) days in which to rectify the said default and should the Mortgagor fail to rectify said default within the said thirty days, the Mortgagor, may, at its option, increase the interest rate on the loan balance for the remaining term of the loan or for a lesser term to the maximum rate per annum permitted to be charged at that time by applicable South Carolina law, or a lesser increase rate as may be determined by the Association. The monthly payments will be adjusted accordingly.
 - That should the Mortgagor fail to make payments of principal and interest as due on the promissory note and should any monthly installment become past due for a period in excess of 15 days, the Mortgagor may collect a "late charge" not to exceed an amount equal to five (5%) per centum of any such past due installment in order to cover the extra expense incurred to the handling of such delinquent payments.
 - That the Mortgagor hereby assigns to the Mortgagor, its successors and assigns, all the rents, issues, and profits accruing from the mortgaged premises, retaining the right to collect the same so long as the debt hereby secured is not in arrears of payment, but should any part of the principal indebtedness, or interest, taxes, or other amounts previously unpaid, be paid due and unpaid, the Mortgagor may without notice or further proceedings take over the mortgaged premises, if they shall be occupied by a tenant or tenants, and collect and rents and profits and apply the same to the indebtedness hereby secured, without liability to account for anything more than the rents and profits actually collected, less the cost of collection and any amount so advanced upon request by Mortgagor, to make all rental payments due to the Mortgagor, without liability to the Mortgagor, and subject to the action by the Mortgagor, and should said premises at the time of such default be occupied by the Mortgagor, the Mortgagor may apply to the Judge of the County Court or to any Judge of the Court of Common Pleas who shall be resident or presiding in the county aforesaid for the appointment of a receiver with authority to take possession of said premises and collect such rents and profits applying said rents, after paying the cost of collection to the mortgage debt without liability to account for anything more than the rents and profits actually collected.
 - That the Mortgagor, at its option, may require the Mortgagor to pay to the Mortgagor, on the first day of each month until the note secured hereby is fully paid, the following sums in addition to the payments of principal and interest provided in said note, a sum equal to the premiums that will not become due and payable on policies of insurance, generally mentioned, if applicable, fee and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged property, all as estimated by the Mortgagor, less all sums already paid thereon, divided by the number of months to elapse before the note falls due prior to the date when such premium, taxes, and assessments will be due and payable, such sum to be held by Mortgagor to pay said premiums, taxes and special assessments. Should these payments exceed the amount of payments actually made by the Mortgagor for taxes, assessments or insurance premiums, the excess may be credited by the Mortgagor on subsequent payments to be made by the Mortgagor, if, however, said sum shall be insufficient to make said payments when the same shall become due and payable, the Mortgagor shall pay to the Mortgagor any amounts necessary to make up the deficiency. The Mortgagor further agrees that at the end of ten years from the date hereof, Mortgagor may, at its option, apply for renewal of mortgage, or any or similar instrument, if applicable, covering the land on their remaining due on the mortgage debt, and the Mortgagor may, at its option, pay the whole principal required for the remaining years of the term of the Mortgage, may pay such premium and add the same to the mortgage debt, in which event the Mortgagor shall repay to Mortgagor such premium payment, with interest at the rate specified in said note, in one and monthly installments over the remaining payment period.
