THE MORTGAGOR COVENANTS AND AGREES AS FOLLOWS

1. That the Mortgagor will promptly pay the principal and interest on the indebtedness evidenced hereby in accordance with the terms and in the manner therein provided.

2. That this mortgage will secure the Mortgagee for any debt and sums which may be lawfully due hereon at the option of the Mortgagee for the payment of taxes, or public assessments, hazard insurance, premiums, repairs or other sums lawfully payable to the provisions of this mortgage, and also for any loans or advances that may hereafter be made by the Mortgagee to the Mortgagor under the authority of Sec. 45-55, 1962 Code of Laws of South Carolina, as amended or similar statutes, and all such sums lawfully due shall bear interest at the same rate or rates as that provided in said statute unless otherwise agreed in writing by the parties, and shall be paid at the demand of the Mortgagee, unless otherwise provided in writing.

3. That Mortgagor will keep the improvements on the mortgaged premises, whether now existing or hereafter to be erected, insured against loss by fire, windstorm and other hazards in a sum not less than the full value, the beneficiary of such insurance to be the Mortgagee, and Mortgagor does hereby assign the policy or policies of any such insurance to the Mortgagee, and agrees that all such policies shall be held by the Mortgagee, should it so require, and shall include loss payable to the Mortgagee, and in the event of loss, Mortgagor will give up the entire benefit of the policy to the Mortgagee by endorsement, and shall hold the Mortgagee at any time, and to keep said premises insured or fail to pay the premiums for such insurance, that the Mortgagee may cause such improvements to be insured in the name of the Mortgagee and to make such policy for the cost of such insurance, with interest as hereinabove provided.

4. That the Mortgagor will keep all improvements upon the mortgaged premises in good repair, and should Mortgagor fail to do so, the Mortgagee may, at its option, enter upon said premises and make all necessary repairs, and charge the expenses for such repairs to the mortgage debt, and collect the same under this mortgage, with interest as hereinabove provided.

5. That the Mortgagee may at any time require the Mortgagee, and the Mortgagee, at its option, pay the full amount of any person obligated under the indebtedness secured hereby to pay the mortgage debt, with the Mortgagee as beneficiary, and if the person does not otherwise pay, the Mortgagee may pay said premiums and any amount so paid shall be a part of the mortgage debt.

6. That Mortgagor agrees to pay all taxes and other public assessments lawfully levied against the mortgaged premises on or before the due date thereof, and to collect the receipts thereon at the offices of the Mortgagee, or to make payment, and should the Mortgagor fail to pay such taxes and assessments when the same shall fall due, the Mortgagee may, at its option, pay the same and charge the amounts so paid to the mortgage debt, and collect the same under this mortgage, with interest as above provided.

7. That if this mortgage secures a construction loan, the Mortgagee agrees that the principal amount of the indebtedness hereby secured shall be disbursed to the Mortgagee in periodic payments, as consistent with the progress of construction, with the terms and conditions of a Construction Loan Agreement which is separately executed but is made a part of this mortgage and incorporated herein by reference.

8. That the Mortgagee shall have the right to foreclose upon the premises here described without the participation of the Mortgagee, and should the Mortgagee so foreclose upon the premises, the Mortgagee may, at its option, include the indebtedness hereby secured to be immediately due and payable, and may institute any proceedings necessary to collect said indebtedness.

9. That should the Mortgagee desire to foreclose upon the mortgaged premises by Contract or Sale, Bond for Title or Deed of Conveyance, and the within mortgage indebtedness is not paid in full, the Mortgagee or his Trustee shall be required to file with the Association an application for an assumption of the mortgage indebtedness, pay the reasonable cost as required by the Association for processing the assumption, furnish the Association with a copy of the Contract of Sale, Bond for Title or Deed of Conveyance, and have the interest rate on the loan balance, existing at the time of transfer, reduced by increasing the interest rate on the said loan balance to the maximum rate per annum permitted to be charged at that time by applicable South Carolina law, or a lesser increase in interest rate as may be determined by the Association. The Association will notify the Mortgagee or his Trustee of the new interest rate and monthly payments, and will mail him a new payoff book. Should the Mortgagee or his Trustee fail to comply with the provisions of the within paragraph, the Mortgagee, at its option, may declare the indebtedness hereby secured to be immediately due and payable and may institute any proceedings necessary to collect said indebtedness.

10. That should the Mortgagee fail to make payments of principal and interest as due on the premises hereon, and the same shall be unpaid for a period of thirty (30) days, or if there shall be any failure to comply with and abide by any law or the charter of the Mortgagee, or any stipulations set out in this mortgage, the Mortgagee, at its option, may write to the Mortgagor at his last known address giving him thirty (30) days in which to rectify the said default, and should the Mortgagee fail to rectify said default within the said thirty days, the Mortgagee may, at its option, increase the interest rate on the loan balance for the remaining term of the loan or for a lesser term to the maximum rate per annum permitted to be charged at that time by applicable South Carolina law, or a lesser increase rate as may be determined by the Association. The monthly payments will be adjusted accordingly.

11. That should the Mortgagee fail to make payments of principal and interest as due on the premises hereon, and should any monthly installment become past due for a period in excess of 15 days, the Mortgagee may collect a "late charge" not to exceed an amount equal to five (5%) per centum of any such past due installment in order to cover the extra expense incident to the handling of such delinquent payments.

12. That the Mortgagee hereby assigns to the Mortgagee, its successors and assigns, all the rents, issues, and profits accruing from the mortgaged premises, retaining the right to collect the same so long as the debt hereby secured is not in arrears of payment, but should any part of the principal indebtedness, or interest, taxes, or fire insurance premiums, be past due and unpaid, the Mortgagee may, without notice or further proceedings, take over the mortgaged premises, if they shall be occupied by a tenant or tenants, and collect said rents and profits and apply the same to the indebtedness hereby secured, without liability to account for anything more than the rents and profits actually collected, less the cost of collection, and any resort or collection, upon request by Mortgagee, to make all rental payments direct to the Mortgagee, without liability to the Mortgagor, and to hold to the contrary by the Mortgagee, and should said premises at the time of such default be occupied by the Mortgagor, the Mortgagee may apply to the Judge of the County Court or to any Judge of the Court of Common Pleas who shall be residing in the county aforesaid for the appointment of a receiver with authority to take possession of said premises and collect said rents and profits, applying said rents, after paying the cost of collection, to the mortgage debt without liability to account for anything more than the rents and profits actually collected.

13. That the Mortgagee, at its option, may require the Mortgagor to pay to the Mortgagee, on the first day of each month until the note secured hereby is fully paid, the following sums in addition to the payments of principal and interest provided in said note: a sum equal to the premium that will next become due and payable on policies of mortgage guaranty insurance, if applicable, fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged premises, all as estimated by the Mortgagee, less all sums already paid therefor, divided by the number of months to elapse before one month prior to the date when such premiums, taxes, and assessments will be due and payable, such sums to be held by Mortgagee to pay said premiums, taxes and special assessments. Should these payments exceed the amount of payments actually made by the Mortgagor for taxes, assessments, or insurance premiums, the excess may be credited by the Mortgagee on subsequent payments to be made by the Mortgagor, if, however, said sums shall be insufficient to make said payments when the same shall become due and payable, the Mortgagee shall pay to the Mortgagor any amounts necessary to make up the deficiency. The Mortgagor further agrees that at the end of ten years from the date hereof, Mortgagee may, at its option, apply for renewal of mortgage guaranty or similar insurance, if applicable, covering the balance then remaining due on the mortgage debt, and the Mortgagor may, at its option, pay the single premium required for the remaining years of the term, or the Mortgagee may pay such premium and add the same to the mortgage debt, in which event the Mortgagor shall repay to Mortgagee such premium payment, with interest at the rate specified in said promissory note, in equal monthly installments over the remaining payment period.
