1. Assignment of Rents and Profits. As a general rule, the rents and profits of land and capital are assigned to the factors which have contributed to the production of the output. The factor which has contributed most to the production of the output gets the largest share of the total output.

4. Taxes and Assessments. Wisconsin has no state income tax. It does have a state sales tax of 5% on most purchases. The city of Milwaukee has its own sales tax of 1% on most purchases. Milwaukee also has a property tax on real estate. However, that tax is paid to the city of Milwaukee, not the state. Milwaukee's property tax is one of the lowest in the country.

5. Expenditures by Mortgagee

6. Condemnation. If the owner of the property or his agent fails to pay the amount due on the tax bill within 30 days after it has been delivered to him, the property will be condemned by the county. The county will then sell the property at a public auction and the proceeds will be used to pay off the taxes and any other debts.
