

**1. Payment of Principal and Interest.** Borrower shall promptly pay when due the principal and interest on the indebtedness evidenced by the Note, prepayment and late charges, as provided in the Note, and the principal and interest at future dates as set forth in the Method.

**2. Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender, on the first monthly statement of principal and interest payable on the Note, and the Note is paid in full, a sum of money, funds equal to one-twelfth of the yearly taxes and assessments which may affect property over the Mortgage, and ground rents on the Property, at the place and time of yearly premium installments for hazard insurance plus one-twelfth of yearly premium installments for title insurance, all as reasonably estimated by Lender and from time to time by Lender on the basis of assessments and taxes and reasonable estimates thereof.

The Funds shall be held in an account in the depository accounts of which are noted or guaranteed by a Federal or state agency including Lender if Lender is such an institution. Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for collecting and applying the Funds, analyzing said account, or verifying and comparing said assessments and taxes unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Mortgage that interest on the Funds shall be paid to Borrower and unless such agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest on earnings on the Funds. Lender shall give to Borrower without charge an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debt to the Funds was made. The Funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the Funds held by Lender, together with the entire unpaid installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be at Borrower's option, either promptly repaid to Borrower or credited to Borrower on account of the amount of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender an amount necessary to make up the difference within 30 days from the date notice is mailed by Lender to Borrower requesting payment thereof.

Upon payment in full of all sums secured by this Mortgage, Lender shall promptly return to Borrower any Funds held by Lender. If under paragraph 18 before the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit upon the amount secured by the Mortgage.

**3. Application of Payments.** Interest applicable to the Note shall be paid by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first to payment of amounts payable to Lender by Borrower under paragraph 2 hereof, then to interest payable on the Note, then to the principal of the Note, and then to interest and principal on any Liquid Advances.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments and other charges, fees and expenses attributable to the Property which may attach a priority over the Mortgage, and shall hold payment of all such rents, if any, in the manner provided under paragraph 2 hereof, at the place where the same are due. Borrower shall pay payment when due directly to the payee thereof. Borrower shall promptly furnish to Lender all notices of default and under the paragraph, and in the event thereof, Borrower shall make payment directly to Lender, at the place where the same are due. If Lender receives evidence of such payments, Borrower shall promptly discharge any and all right, title and interest in the Mortgage, provided that Borrower shall not be required to do so before the date of payment of the amount due to the payee of the obligation secured by such lien or a portion thereto available to Lender, and Lender shall have no right to require payment of the amount of deficit after the date of payment of such portion of the amount due to the payee of the obligation secured by such lien or a portion thereto available to Lender, unless such portion of the amount due to the payee of the obligation secured by such lien or a portion thereto available to Lender is insufficient to pay the amount due to the payee of the obligation secured by the Property or any part thereof legal proceedings which operate to give effect to the rights of Lender in and to the Property or any part thereof.

**5. Hazard Insurance.** Notwithstanding any provision in this Agreement to the contrary, the Company shall not be liable for any loss or damage to the Premises or to the property or fixtures thereon, resulting from fire, lightning, explosion, riot, civil commotion, or any other hazard as defined in such policy, except that the amount of liability of the Company shall not exceed the amount of the Premium paid by the Company under such policy.

The insurance contract provided by the insurance company designated by B&I will be subject to approval by Fannie Mae, provided that such approval shall not be unreasonably withheld. Premiums and other expenses shall be paid in the manner provided under paragraph D above or at such other time as may be agreed by B&I, subject to payment when due directly to the insurance carrier.

All the stated policies are to be carried out by the Board of Directors, which is to be composed of three members, three of whom shall be elected by the shareholders and one to be appointed by the Board of Directors. The Board of Directors shall have the power to renew all the terms of office of the Board of Directors. In the event of loss and forfeiture of the property of the Board of Directors, the Board of Directors shall have the power to elect new members to fill the vacancies. The Board of Directors shall have the power to make principal by Bidders.

1. Unless Lender and Borrower otherwise agree in writing, Lender's right to require payment of principal and interest by Borrower shall commence on the date of the first payment of principal and interest by Borrower to Lender, and Lender's right to require payment of principal and interest by Borrower shall terminate on the date of the final payment of principal and interest by Borrower to Lender.

**2. Protection of Lender's Security.** If B becomes insolvent or if the Project Manager fails to make payment of the amounts due under the Project Agreement, B shall be liable to the Project Manager for all amounts due under the Project Agreement and the Project Manager may exercise all rights available to it under the Project Agreement.
