- (20) To comply with all laws, ordinances, and regulations affecting the property.
- (21) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereunder and to the enforcement of or the compliance with the provisions hereof and of the note and any supplemental agreement whether before or after default, including but not limited to costs of evidence of title to any survey of the property, costs of recording this and other instruments, attorneys' fees, trustees' fees, court costs, and expenses of advertising, selling, and collecting the property.
- (22) Neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred, or encumbered, voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as mortgagee hereunder, including but not limited to the power to grant, consent, partial releases, subordinations, and substitutions, and no third holder shall have any right, title or interest in or to the lien or any benefits hereof.
- (23) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplemental agreement are being performed.
- (24) The Government may extend and defer the maturity of and renew and recondition the debt evidenced by the note or any indebtedness to the Government secured hereby, release from liability to the Government any party liable thereon, release portions of the property from and subordinate the lien hereon, and waive any other rights hereunder, without affecting the lien or priority hereof or the liability of the Government, of Borrower or any other party for payment of the note or indebtedness secured hereby, except as specified by the Government in writing.
- (25) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.
- (26) Default hereunder shall constitute default under any other real estate, or under any personal property or other security instrument held or owned by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.
- (27) SHOULD DEFAULT occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should any one of the parties named as borrower die or be declared incompetent, bankrupt, or an insolvent, or make an assignment for the benefit of creditors, the Government at its option, with or without notice, may (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (b) for the account of Borrower, incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (c) upon application by it and production of this instrument, without notice of hearing or said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, (d) foreclose this instrument as provided herein, (e) by law, and commence any and all other suits and remedies provided herein or by present or future law.

At foreclosure or other sale of all or any part of the property, the Government and its agents may bid and purchase as a stranger and may pay the Government's share of the purchase price by crediting such amount in its debt of Borrower owing to or incurred by the Government, in the order prescribed above.
- (29) Borrower agrees that the Government will not be bound by any present or future State law, or provision for selection, appraisal, homestead or exemption of the property, of prohibiting maintenance, or an action for a deficiency judgment, or limiting the amount thereof or the time within which such action may be brought, (e) prescribing any other statute of limitations, (d) allowing any rights of redemption or possession following any foreclosure sale, or (e) limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of occupying a tenement of the property to a new owner, yet Borrower expressly waives the benefit of any such State law. Borrower hereby relinquishes, waives, and conveys all rights, including exculpation, of descent, dower, and curtesy.
- (30) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction, or repair of property to be used as an owner-occupied dwelling, thereon called "the dwelling", and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so, or if neither Borrower nor the Government is authorized to do so, then, with either consent of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling, or will otherwise make unavailable to him the dwelling to whom because of race, color, religion, sex, or national origin, and other factors, are recognized as illegal and hereby declared and witness hereby, with an attempt to enforce any restrictive covenants in dwelling relating to race, color, religion, sex, or national origin.
