

2. That, together with and in addition to, the monthly payments of principal and interest, as set forth in the terms of the note secured hereby, he will pay to the Mortgagor, on the first day of each month, until such time as the note is fully paid, the following sums:

A. An amount sufficient to provide the Mortgagor with funds to pay the taxes, assessments, insurance premiums, and other governmental charges, including water rates, which may become due and payable during the period of validity of the Secretary of Housing and Urban Development's note, as full payment.

I. If and so long as such sum is not sufficient to provide the funds for the payment of the taxes, assessments, insurance premiums, and other governmental charges, including water rates, which may become due and payable during the period of validity of the National Housing Act, an amount sufficient to accumulate in the funds of the Mortgagor, at a rate of interest not to exceed the annual mortgage insurance premium, or under any rate such Mortgagor may determine, by the Secretary of Housing and Urban Development pursuant to the National Housing Act, as amended, and applicable Regulations thereto;

II. If and so long as such sum is not sufficient to provide the funds for the payment of the taxes, assessments, insurance premiums, and other governmental charges, including water rates, which may become due and payable during the period of validity of the National Housing Act, an amount sufficient to accumulate in the funds of the Mortgagor, at a rate of interest not to exceed the annual mortgage insurance premium, which shall be an amount not equal to one-twelfth of one-half of one per centum of the average outstanding balance for the month of each year, plus interest and delinquencies of such payments;

III. A sum equal to the principal of any note due, plus the premiums that will mature, or be due and payable, on or before the date of the hazard insurance, or setting the increased premium rates and assessments next due on the principal of such note, plus estimated by the Mortgagor less amounts already paid therefrom due to the regular refunds of taxes, before the last payment on the date when such taxes, premiums, rates, and assessments will be one delinquent, such sum to be held by Mortgagor in trust to pay taxes, and rents, premiums, rates, and special assessments, and

IV. All payments made and in the time preceding subsections of this paragraph, and all payments to be made under the note secured hereby shall be added together and the aggregate of all thereof shall be paid by the Mortgagor, each month in a single payment to be applied to the Mortgagor to the following items in the order set forth:

I. Peasant charges under the contract of insurance with the Secretary of Housing and Urban Development, or monthly charges, in lieu of hazard insurance premiums, as the case may be;

II. Taxes, special assessments, rates, and other hazard insurance premiums;

III. Interest on the note secured hereby; and

IV. Amortization of the principal of said note.

Any deficiency in the amount of funds such aggregate monthly payment shall, unless made good to the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage. The Mortgagor may collect a "late charge" of not to exceed four cents (\$0.04) for each \$1.00 each payment more than fifteen (15) days in arrears to cover the extra expense involved in handling delinquent payments.

3. If the total of payments made by the Mortgagor under (b) of paragraph 2 preceding shall exceed the amount of payments actually made by the Mortgagor for taxes or assessments or insurance premiums, as the case may be, such excess, if the loan is current, at the option of the Mortgagor, shall be credited on subsequent payments to be made by the Mortgagor, or refunded to the Mortgagor. If, however, the monthly payments made by the Mortgagor under (b) of paragraph 2 preceding shall not be sufficient to pay taxes and assessments and insurance premiums, when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagor any amount necessary to make up the deficiency, on or before the date when payment of such taxes, assessments, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagor, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagor shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor all payments made under the provisions of (a) of paragraph 2 hereof which the Mortgagor has not become obligated to pay to the Secretary of Housing and Urban Development, and any balance remaining in the funds accumulated under the provisions of (b) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby, or if the property is otherwise acquired after default, the Mortgagor shall apply, at the time of the commencement of such proceedings, or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under (b) of paragraph 2 preceding, as a credit against the amount of principal then remaining unpaid under the note secured hereby, and shall properly adjust any payments which shall have been made under (a) of paragraph 2.

4. That he will pay all taxes, assessments, water rates, and other governmental or municipal charges, fines, or impositions, for which provision has not been made hereinbefore, and in default thereof the Mortgagor may pay the same, and that he will promptly deliver the official receipts therefor to the Mortgagor. If the Mortgagor fails to make any payments provided for in this contract or any other payment for taxes, assessments, or the like, the Mortgagor may pay the same, and all such unpaid shall bear interest at the rate set forth in the note secured hereby from the date of such advance and shall be secured by this mortgage.

5. That he will keep the premises in as good order and condition as they are now and will not commit or permit any waste thereof, reasonable rent and taxes excepted.

6. That he will keep the improvements now existing on the mortgaged property insured as may be required from time to time by the Mortgagor against loss by fire and other hazards, casualties, and contingencies in such amounts and for such periods as may be required by the Mortgagor, and will pay promptly, when due, any premiums on such insurance provision for payment of which has not been made hereinbefore. All insurance shall be carried in companies approved by the Mortgagor and the policies and renewals thereof shall be held by the Mortgagor and have attached thereto loss payable clauses in favor of and in form acceptable to the Mortgagor. In event of loss Mortgagor will give immediate notice by mail to the Mortgagor, who may make proof of loss, if not made promptly by Mortgagor, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to the Mortgagor instead of to the Mortgagor and Mortgagor jointly, and the insurance proceeds, or any part thereof, may be applied by the Mortgagor at its option either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In event of transfer of this mortgage or other transfer of title to the mortgaged property in extinguishment of the indebtedness secured hereby, all right, title and interest of the Mortgagor in and to any insurance policies then in force shall pass to the purchaser or grantee.

7. That he hereby assigns all the rents, issues, and profits of the mortgaged premises from and after any default hereunder, and should legal proceedings be instituted pursuant to this instrument, then the Mortgagor shall have the right to have a receiver appointed of the rents, issues, and profits, who, after deducting all charges and expenses attending such proceedings and the execution of his trust as receiver, shall apply the residue of the rents, issues, and profits, toward the payment of the debt secured hereby.

8. That if the premises, or any part thereof, be condemned under any power of eminent domain, or acquired for a public use, the damages, proceeds, and the consideration for such acquisition, to the extent of the full amount of indebtedness upon this mortgage, and the note secured hereby remaining unpaid, are hereby assigned by the Mortgagor to the Mortgagor and shall be paid forthwith to the Mortgagor to be applied by it in account of the indebtedness secured hereby, whether due or not.
