Changes In Interest Rate:	
The interest rate may increase or will decrease from the Initial Rate or any subsequent interest rate to the Adjusted Rate at the end of each Rate Period. No single change in the interest rate will be more than two percentage points.	
There will be no change in the interest rate if the amount of change of the index is less than 400 one percentage point.	
Decreases in the interest rate resulting from decreases in the Index will always be automatic within the rules for	
maximum and minimum changes. Increases resulting from increases in the Index may be postponed at notice s	
option. If Holder postpones an interest rate increase, Holder may take it at a later interest rate change date, unless	
doing so would conflict with the carryover rule. THE INITIAL RATE OF INTEREST WILL NOT INCREASE OR DECREASE MORE THAN7 PERPER	1
CENTAGE POINT(S) DURING THE TERM OF THIS LOAN.	İ
Carryover of Interest Rate Changes:	
Changes in the Index not passed on to Borrower as changes in Borrower's interest rate will be carried over to the	
end of the next Rate Period. In addition to new Index changes, Index changes carried over may be passed on to Borrower's next Rate Period as a change in Borrower's interest rate. Holder may not pass these	
Carryovers on to Borrower to the extent that they have been offset by an opposite movement in the Index as of that date.	
Change in Monthly Installment	
Upon the increase or decrease in the rate of interest, each monthly installment then payable shall be increased or	
degrees to the amount which, when rounded to the next highest dollar amount and paid in equal monthly	
installments, will result in full payment of the then unpaid principal balance together with all interest on said balance within the original term of this loan. The increase or decrease in the monthly installment shall become due on the	
25th day of the calendar month following the effective date of the new Rate Period.	
Nation of Intercet Date Changes:	
Rossower will be sent notice of any rate change at least 30 days before it becomes effective. The notice will explain	
how the index has changed and how Borrrower's interest rate and payment schedule will be affected. This notice will	
also be sent whenever Holder nostpones an interest rate increase Holder is permitted to take and also when the muck	
has not changed at a rate adjustment date. All interest rate changes will be based on Index information available at the	
time the notice is sent, rather than when the rate change goes into effect. Loan Assumption:	:
Rorrower's Adjustable Rate Loan may not be assumed by a purchaser of the real property collateral without	ı,
Holder's consent. If assumption is allowed. Holder has the right to change the loan terms including the interest rate,	
upon assumption, and Holder may also require the purchaser to pay certain charges including assumption lees.	:
Extension of Term: Under no circumstances will the term of this loan or the total number of payments be extended or decreased as a	•
result of the change in the interest rate as provided herein; provided, however, there may be a prepayment as provided	
halou	
Possewer may prepay without penalty the indehtedness evidenced hereby in whole or in part at any time. Any	;
are now ment will be applied to the outstanding principal balance after payment of all interest through the date of such	1
prepayment. Any such partial prepayment shall not postpone the due date or change the amount of any subsequent	
monthly installment unless the Holder of this Note shall otherwise agree in writing.	-
