

Uniform Covenants. Borrower and Lender covenant and agree as follows:

1. PAYMENT OF PRINCIPAL AND INTEREST. Borrower shall promptly pay when due the principal of the Note and interest thereon at the rate provided by the Note, plus premium and late charges provided in the Note and all other sums secured by the Instrument.

2. FUNDS FOR TAXES, INSURANCE AND OTHER CHARGES. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly installments of principal or interest are payable under the Note (or on another day designated in writing by Lender), until the Note is paid in full, a sum theron ("Funds") equal to one-twelfth of (i) the yearly water and sewer rates and taxes and assessments levied on the Property, (ii) the yearly ground rents, if any, (iii) the yearly premium installments for fire and other hazard insurance, rent loss insurance and such other insurance covering the Property as Lender may require pursuant to paragraph 3 hereto, (iv) the yearly premium installments for mortgage insurance, if any, and (v) if this instrument is on a leasehold, the yearly fixed rents, if any, under the ground lease, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. Any waiver by Lender of a requirement that Borrower pay such Funds may be revoked by Lender, in Lender's sole discretion, at any time upon notice in writing to Borrower. Lender may require Borrower to pay to Lender, in advance, such other funds for other taxes, charges, premiums, assessments and impositions in connection with Borrower or the Property which Lender shall reasonably deem necessary to protect Lender's interests therein ("Other Impositions"). Unless otherwise provided by applicable law, Lender may require Funds for Other Impositions to be paid by Borrower in a lump sum or in periodic installments, at Lender's option.

The Funds shall be held in an institution(s) the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said rates, rents, taxes, assessments, insurance premiums and Other Impositions so long as Borrower is not in breach of any covenant or agreement of Borrower in this Instrument. Lender shall make no charge for so holding and applying the Funds, analyzing said account or for verifying and compiling said assessments and bills, unless Lender pays Borrower interest, earnings or profits on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Instrument that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires interest, earnings or profits to be paid, Lender shall not be required to pay Borrower any interest earnings or profits on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds in Lender's normal format showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Instrument.

If the amount of the Funds held by Lender at the time of the annual accounting thereof shall exceed the amount deemed necessary by Lender to provide for the payment of water and sewer rates, taxes, assessments, insurance premiums, rents and Other Impositions, as they fall due, such excess shall be credited to Borrower on the next monthly installment or installments of Funds due. If at any time the amount of the Funds held by Lender shall be less than the amount deemed necessary by Lender to pay water and sewer rates, taxes, assessments, insurance premiums, rents and Other Impositions, as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency within thirty days after notice from Lender to Borrower requesting payment thereof.

Upon Borrower's breach of any covenant or agreement of Borrower in this Instrument, Lender may apply, in any amount and in any order as Lender shall determine in Lender's sole discretion, funds held by Lender at the time of application up to pay rates, rents, taxes, assessments, insurance premiums and other impositions which are now or will hereafter become due, or as a credit against sums secured by this Instrument. Upon payment in full of all sums required by this Instrument, Lender shall promptly return to Borrower any funds held by Lender.

3. APPLICATION OF PAYMENTS. Unless applicable law provides otherwise, all payments received by Lender from Borrower under the Note or this Instrument shall be applied by Lender in the following order of priority: (i) amounts payable to Lender by Borrower under paragraph 2 hereof, but interest payable on the Note, but principal of the Note, (ii) interest payable on advances made pursuant to paragraph 8 hereof; (iii) principal of advances made pursuant to paragraph 9 hereof, (iv) interest payable on any future Advance, provided that if more than one future Advance is outstanding, Lender may apply payments received among the amounts of interest payable on the future Advances in such order as Lender may determine, (v) principal of any future Advance, provided that if more than one future Advance is outstanding, Lender, in Lender's sole discretion, may determine the principal balance of the future Advances in such order as Lender, in Lender's sole discretion, may determine, and (vi) any other amounts received by Lender from Borrower, such order as Lender, at Lender's option, may determine, provided, however, that Lender may, at Lender's option, apply any amounts payable pursuant to paragraph 8 hereof prior to interest on and principal of the Note, but such application shall not otherwise affect the order of priority of application specified in this paragraph 3.

4. CHARGES: FEES. Borrower shall pay all taxes and levies of every kind, assessments, premiums, and other impositions attributable to the Project or Lender's rights in the Project provided under paragraph 2 hereof, when paid in such manner, by Borrower making payment, to the Project or Lender's agent or other authority provided under paragraph 2 hereof, or when paid in such manner, by Borrower making payment, when due, directly to the place where the same are paid or to such other destination as Lender may designate in writing. Borrower shall promptly furnish to Lender notices of, and certify to, Lender under this paragraph 4, and in the event Borrower fails to make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payment. Borrower shall promptly furnish any and all documents which has, or may have, priority over or equals with, the liens of this Instrument, and Borrower shall pay, when due, the amount of all persons' supportive labor or materials to or in connection with the Project. With or before Lender's prior written permission, Borrower shall not allow any lien inferior to this instrument to be perfected against the Project.

5. HAZARD INSURANCE Lender shall carry the appropriate insurance policies in favor of the Borrower, covering the Property, insured by carriers at all times satisfactory to Lender against loss by fire, flood and included within the term "extended coverage", rent loss and such other hazards, casualties, perils and contingencies as Lender finds, in his judgment, to be a hazard. The amount of insurance shall be equal and in such amounts and for such periods as Lender shall require. All premiums on insurance policies shall be paid, at Lender's option, in the manner provided under paragraph 2 hereof, or by Borrower, subject to payment when due, directly to the carrier or in such other manner as Lender may designate in writing.

All insurance policies and renewals thereto shall be maintained acceptable to Lender and shall include a standard mortgage clause in favor of and in form acceptable to Lender. Lender shall have the right to hold the policies, and Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. At least thirty days prior to the expiration date of a policy, Borrower shall deliver to Lender a renewal policy in form satisfactory to Lender. If this instrument is or becomes void, Borrower shall furnish Lender a duplicate of all policies, renewal notices, renewal policies and receipts of paid premiums; if, by virtue of the foregoing, the originals thereof may not be supplied by Borrower to Lender

In the event of loss, Borrower shall have and the Lender is entitled to the insurance carried and to Lender. Borrower hereby authorizes and urges such Lender as attorney in fact for Borrower to make payment of loss, to adjust and compromise any claim under insurance policies, to appear in and prosecute any action arising from such insurance policies, to collect and receive insurance proceeds, and to deduct therefrom, Lender's expenses incurred in the collection of such proceeds, provided however, that nothing contained in this paragraph 5 shall require Lender to incur any expense or take any action hereunder. Borrower further authorizes Lender, at Lender's option, first to hold the balance of such proceeds to be used to reimburse Borrower for the cost of reconstruction or repair of the Property or, if it so applies, the balance of such proceeds to the payment of the sums secured by this Instrument, whether or not then due, in the order of application set forth in paragraph 3 hereof subject, however, to the rights of the lessee under the ground lease if the instrument is on a leasehold.

If the insurance proceeds are held by Lender to reimburse Borrower for the cost of restoration and repair of the Property, the Property shall be restored to the equivalent of its original condition or such other condition as Lender may approve in writing. Lender may, at Lender's option, be reduced to the equivalent of its original condition or such other condition as Lender may approve in writing. Lender may, at Lender's option, deduct from disbursement of said proceeds or Lender's approval of such plans and specifications of an architect or contractor to Lender, contractor's cost estimates, architect's certificates, waivers of liens, sworn statements of mechanics and materialmen, and such other evidence of costs, percentage completion of construction, application of payment bonds, and satisfaction of liens as Lender may reasonably require. If the insurance proceeds are applied to the payment of the sums secured by this instrument, any such application of proceeds to principal shall not extend or postpone the due dates of the monthly installments referred to in paragraphs 1 and 2 hereof or change the amounts of such installments. If the Property is sold pursuant to paragraph 21 hereof or if Lender acquires title to the Property, Lender shall have all of the rights, title and interest of Borrower in and to any insurance policies and the related premiums thereon and due and to the proceeds received from any sale to the Property prior to such sale or acquisition.
