ADJUSTARLE RATE RIDER (Interest Rate Limits)

THIS ADJUSTABLE RATE RIDER is made this 28th day of March incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of the "Security Instrument") of the same date given by the undersigned (the "Borrower Adjustable Rate Note to	i) to secure Borrower's ion of South Carolina of the same date (the "Note")
(Property Address) The Note contains provisions allowing for changes in the interest rate even timits stated in the Note. If the interest rate increases, the Borrower's be higher. If the interest rate decreases, the Borrower's monthly payment.	ery year subject to the s monthly payments will

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 9.875. Section 4 of the Note provides for changes in the interest rate and the monthly payments, as follows:

"4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The Interest rate I will pay may change on the first day of May , 1985, and or that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an index. The "Index" is the Beginning with the first Change Date, my interest rate will be based on an index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made we have a great maturity of 1 year, as made we have a great with the property of 1 year, as made we have a great maturity of 1 year, as made we have a great maturity of 1 year, as made we have a

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

The first index figure for this note is 10.53%. It is called the "Original Index."

The first index figure for this note is $\frac{2.5}{5}$. It is called the original index plus a margin of $\frac{2.5}{5}$. (after rounding the result up to the nearest 1/8 of 1%) is called the "Adjustment Base Rate."

(C) Calculation of Changes

Before each change date, the Note Holder will calculate my new interst rate by calculating the difference,
Before each change date, the Note Holder will calculate my new interst rate by calculating the difference,
If any, between the Current Index and Original Index. If the Current Index is lower than the Original
Note Holder will add the difference to the Adjustment Base Rate. If the Current Index is lower than the Original
Note Holder will subtract the difference from the Adjustment Base Rate. The Note Holder will then round
Index, the Note Holder will subtract the difference from the Adjustment Base Rate. The Note Holder will then round

Section 4 (D) below, this rounded amount will be my new interest rate out that would be sufficient to repay

The Note holder will then determine the amount of the monthly payment that would be sufficient to repay
the unpaid principal balance of my loan 1 am expected to owe on the Change Date in full on the maturity date at my
new interest rate in substantially equal payments. The result of this calculation will be the new amount of my
monthly payments.

(D) Limits on Interest Rate Changes

The rate of interest I am required to pay shall never be increased or decreased on any single Change Date by more than one and three-quarters percentage points (1.75%) from the rate of interest I have been paying for the preceding twelve months.

Additionally, my interest rate shall never be greater than six percent (6%) above or below the "initial Interest Rate."

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date, I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes and in.

(F) Notice of Changes

The Note Holder will mail or deliver to me a notice of any changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and before the effective date of any change. The notice will answer any question I may have regarding the notice."

also the title and telephone number of a person who will answer any question I may have regarding the notice."

B. Charges; Liens
Uniform Covenant 4 of the Security Instrument is amended to read as follows:

1

4. Charges; Liens. Borrower shall pay all taxes, assessments, and other charges, fines and impositions attributable to the Property which may attain a priority over this Security Instrument, and leasehold payments or
