WHEREAS the Massachusetts Association of Credit Unions (MTCU) is a non-profit savings and loan association of credit unions throughout the state, organized by the Massachusetts government for the sole purpose of encouraging and assisting credit unions in their operations; and

1961 ERS-4 with interest to the study of the effects of your continuing participation in the program. The new state-of-the-art

With the above mentioned exception, the following are the only Mādhyamika schools which have been able to establish their tradition in India, and they are the ones which have produced most original and outstanding teachers and followers.

ALL the eastern power plants of Duke will all move over into the new utility company under Duke's control in the State of South Carolina. Located at Greenville, S.C., Duke's new utility company will be known as the "Duke Power Company." It will be controlled by the Duke Power Company of North Carolina.

¹ See also the discussion of the relationship between the two in the section on "Theoretical Implications" below.
