Mr. Ira A. Gresham, R.M.C. ,
Greenville. S. C.

Dear Sir:

Replying to yours of the 29th beg to advise that the lot in question is worth \$400.00. If you would like to verify this statement, you might look at your records or ask Mr. J. W. Norwood who has quite a few lots in this same vicinity that are being offered now for \$400.00.

The mortgage in question covers quite a bit of property, most of which is in Anderson County. Therefore, I am putting a \$1.00 stamp on this deed and will ask that you please record it today and return it to me this afternoon by mail, if possible, and oblige

Yours very truly,

CHICORA BANK
