Dear Mr. Gresham:

In Re: Loan No. 2129 JD - S. E. Smith

We have your letter of August 26th acknowledging receipt of two crop and chattel mortgages which we sent you for record. You state that the recording fee will be \$1.50 for the two mortgages and 20¢ S. C. revenue stamps.

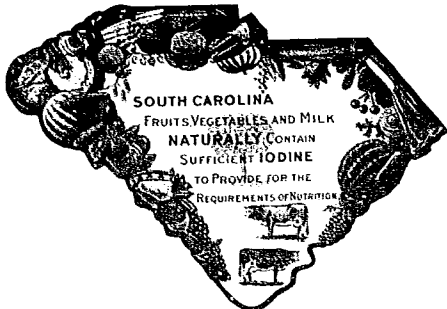

We are enclosing herewith our check on the National Loan and Exchange Bank for \$1.50 to cover the recording fee. We are also enclosing a copy of letter of Mr. R. A. Little, Director of the S. C. Tax Commission, License Tax Division, dated August 25, 1931 to Mr. J. E. Belser, General Counsel of the Bank, in which he states that chattel mortgages to the First Carolinas Joint Stock Land Bank are exempt from S. C. revenue tax. We will thank you to record the two mortgages and return the same to us.

Yours very truly,
