Mr. Ira A. Gresham,
Register Mesne Conveyance,
Greenville, S.C.

Dear Sir:

We enclose mortgage which was executed by S.G. Mayfield to Page Trust Company, which was subsequently assigned to M.C. Palmer, who has not cancelled the same.

We also enclose a deed from S.G. Mayfield to M. C. Palmer which we will thank you to record.

We also enclose our check in blank for the purpose of paying the recording fees on the two instruments above mentioned and also the State and Federal documentary stamps. The deed should have \$2.00 State Revenue stamps and \$1.00 Federal stamps.

The foreclosure on the enclosed mortgage was commenced and there are about \$2.00 costs due to the Clerk of Court. We will thank you to ascertain the exact amount and pay the clerk these costs, adding the amount to our check.

Will you please send us receipts for the above disbursements when you return the papers after they have been placed on the record?

Yours very truly,

MASSENBURG & MCCOWN.
