Dear Mrs. Farnsworth:

A question has arisen as to whether or not Gantt Water & Sewer District, a sub-district of Greenville County, should pay documentary stamps on rights-of-way obtained from residents of the area. These rights-of-way are for the use of the District for the benefit of the citizens and if paid, would have to be paid by the District out of tax funds.

I am of the opinion that rights-of-way of this nature would not require documentary stamps.

Trusting that this sufficiently answers your inquiry, I am

Yours very truly,

E. P. Riley, Greenville County Attorney.
