

3.

of the Greater Greenville Sewer District Commission then existing or to be promulgated. The Greater Greenville Sewer District Commission has now determined that it is to the interest of Greater Greenville Sewer District to act favorably upon said Petition and to incorporate the area described above into Greater Greenville Sewer District. The Greater Greenville Sewer District Commission has further determined that such sewer lines have been constructed in accordance with its requirements and under the supervision of its Superintendent and that Lanco, Inc. has deeded such lines over to Gantt Water and Sewer District, which has accepted such lines in accordance with its aforementioned agreement. Greater Greenville Sewer District Commission is further satisfied that there are no qualified electors in the area described above and that the Petition submitted was signed by all freeholders in the area involved. Greater Greenville Sewer District Commission thus approves the Petition of Lanco, Inc. and the agreement of Gantt Water and Sewer District commission and does hereby annex to and incorporate into Greater Greenville Sewer District the property described above and from henceforth on such property shall be subject to all taxes and special assessments of any kind and nature imposed by Greater Greenville Sewer District for maintenance, debt retirement, debt service or any other purpose and further said property shall be subject to all the rules and regulations heretofore promulgated or hereafter to be promulgated by Greater Greenville Sewer District Commission and said property shall henceforth
