RELEASE

For valuable consideration, we, the undersigned residents of Patton Avenue and Kirk Boulevard near the City of Greenville, do hereby release and hold harmless the County of Greenville from any damage to our property resulting from repair work on a storm sewer which runs through our property, it being understood that a deep hole has washed as a result of a break in the storm sewer in the yard of Ellen F. Parkins. The only work that the County is going to do is to fill in the hole that now exists in the yard of Mrs. Parkins.
