Being a strip of land 68 feet wide extending 34 feet on the northwesterly side and 34 feet on the southeasterly side of a survey line which has been marked on the ground and is approximately 491.8 feet long and lies across the land of the Grantor (in one or more sections).

Said strip is shown on map of Duke Power Company Rights of Way for Oakvale - E. Greenville Transmission Line, dated Dec. 27, 1966, marked File No. 34-155, copy of which is attached hereto and made a part hereof, and dated Dec. 22, 1966, marked File No. 156-136, a copy of which is attached hereto and made a part hereof.

Grantor, for the consideration aforesaid, further grants to Grantee (1) the right at any time to clear said strip and keep said strip clear of any or all structures, trees, fire hazards, or other objects of any nature; (2) the right at any time to make relocations, changes, renewals, substitutions and additions on or to said structures within said strip; (3) the right from time to time to trim, fell, and clear away any trees on the property of the Grantor outside of said strip which now or hereafter may be a hazard to said towers, poles, wires, cables, or other apparatus or appliances by reason of the danger of falling thereon; (4) the right of ingress to and egress from said strip over and across the other lands of the Grantor by means of existing roads and lanes thereon, adjacent thereto, or crossing said strip; otherwise by such route or routes as shall occasion the least practicable damage and inconvenience to Grantor; provided, that such right of ingress and egress shall not extend to any portion of said lands which is separated from said strip by any public road or highway, now crossing or hereafter crossing said lands.
