RE: Title to Real Estate and
Letter.
Malcombe and Violet Gibson

Dear Mrs. Farnsworth:

This is neither an assumption of mortgage nor
a satisfaction.

Mr. and Mrs Gibson gave us a deed to their property
the consideration, as spelled out in detail in the body of the deed,
was our releasing them from the obligation of paying a certain note.
No cash was involved. The note and mortgage was not paid, only the
obligation of the Gibson's was released.

Please record and return to North American Acceptance
Corp.

Sincerely,

Charles R. Puckett
