

Agreement, the Trustee shall be entitled to receive for its services hereunder such compensation from the corpus of the trusts as may be agreed upon between it and the grantors' children in writing prior to the execution hereof.

12. This trust hereby created shall be irrevocable and shall not be altered, amended, revoked, or terminated, in whole or in part, by the Grantors. No part of the corpus or income of the trusts shall ever revert to or be used for the benefit of the Grantors or be applied to the payment of premiums upon policies of insurance on the life of the Grantors, or be used to satisfy any legal obligations of the Grantors. The Grantors hereby renounce for themselves, and their estates, any interest, either vested or contingent, including any reversionary right or possibility of reverter, in the corpus and income of the trusts, and any power to determine or control, by alteration, amendment, or termination, or otherwise, the beneficial enjoyment of the corpus or income of the trusts.

13. The trust herein created shall continue until September 1, 2002, and shall be terminated on that date at which time the Trustee shall by proper deeds or other lawful means convey the trust property, including all and any undistributed income, in fee simple, free of any trust, to the persons entitled on that date to receive the income and corpus of the trusts in the proportions of the shares of trust corpus to which they are entitled as hereinabove provided.
