

of the Project as a manufacturing plant and will not destroy the means of ingress thereto and egress therefrom.

And, provided further, if such release relates to Leased Land on which transportation or utility facilities are located, the County shall retain an easement to use such transportation or utility facilities to the extent necessary for the efficient operation of the Project as a manufacturing plant.

If all of the conditions of this Section 8.5 are met, the Trustee shall be authorized to release any such property from the lien of the Indenture.

No release effected under the provisions of this Section shall entitle the Lessee to any abatement or diminution of the rents payable under Section 5.3 hereof.

SECTION 8.6. Granting of Easements. If no event of default under this Agreement shall have happened and be continuing, the Lessee may at any time or times grant easements, licenses, rights of way (including the dedication of public highways) and other rights or privileges in the nature of easements with respect to any property included in the Project, free from the lien of the Indenture, or the Lessee may release existing easements, licenses, rights of way and other rights or privileges with or without consideration, and the County agrees that it shall execute and deliver and will cause and direct the Trustee to execute and deliver any instrument necessary or appropriate to confirm and grant or release any such easement, license, right of way or other right or privilege upon receipt of: (i) a copy of the instrument of grant or release, (ii) a written application signed by the president or a vice president or the treasurer of the Lessee requesting such instrument, and (iii) a certificate executed by the president or a vice president or the treasurer of the Lessee stating (1) that such grant or release is not detrimental to the proper conduct of the business of the Lessee, and (2) that
