" 1 Panson

(4) It is Further Agreed: That in the event a building or other structure should be erected contiguous to said sever pipe line, no claim for damages shall be made by the grantor, his heirs or assigns, on account of any damage that might occur to such structure, building or contents thereof due to the operation or maintenance, or negligences of operation or maintenance, of said pipe lines or their appurtenances, or any accident or mishap that might occur therein or thereto.

are as follows: Grantor herein reserves the limited right to tap onto the sewer line, the object of the within right of way. It is expressly understood, howeves that the Grantor's tie-in right is limited by the capacity of the sewage system and is subject to the priority of the Grantee herein for sewage service for its North Greenville Hospital as needed.

(6) The payment and privileges above specified are hereby accepted in full settlement of all claims and damages of whatever nature for said right of way.

(7) The grantor(s) have granted, bargained, sold and released and by these presents do grant, bargain, sell and release unto the grantee(s), their successors and assigns forever the property described herein and the grantor(s) further do hereby bind their heirs, successors, executors and administrators to warrant and defend all and singular said premises to the grantee, the grantee's successors or assigns, against every person whomsover lawfully claiming or to claim the same or any part thereof.

PERSONALLY APPEARS before me the undersigned deponent, who on oath says that deponent saw the above named Grantor(s) deliver the within written right of way, and that deponent, with the other witness subscribed above, witnessed the execution thereof.
