South Carolina

Grenville district } At the request of the heirs
of Mrs J. K. Mason deceased I have laid off and
surveyed the home tract of land (the late resi-
dence of said deceased) situate in said district
on Cotton River, into three lots, viz. Lots No. 183.
The above plat represents the lot No. 9 containing
one hundred and sixty four acres lying immen-
diately between lots No. 183, and hath such
form bearings and monuments as is in the above plat re-
presented. Surveyed Dec. 31. 1834.
