

equipment used for the personal enjoyment of a resident of a lot shall at all times be parked to the rear of the dwelling and shall not be parked in the front or side thereof. Such equipment shall at all times be neatly stored and positioned to be inconspicuous. No tree houses or play houses shall be erected on any lot unless previously approved in writing by the Architectural Committee.

4. No noxious or offensive activity shall be carried on anywhere on the property subject to these covenants, nor shall anything be done thereon which may be or become a nuisance or menace to the neighborhood. No numbered lot or any part thereof shall be used for any business or commercial purpose or for any public purpose.

5. All fuel oil tanks or containers shall be covered or buried underground consistent with normal safety precautions.

6. No animals shall be kept, maintained or quartered on any lot except that cats, dogs and caged birds may be kept in reasonable numbers as pets for the pleasure of the occupants.

II. SETBACKS, LOCATION AND SIZE OF IMPROVEMENTS AND LOTS

1. No building shall be erected on any lot nearer to the front lot line than the building setback line as shown on the recorded plats, and any such building shall face toward the front line of the lot, except that buildings to be constructed on corner lots may face the intersection or either front lot line. No residence shall be nearer to any side lot line than a distance equal to 10% of the width of the lot measured at the building setback line or 10 feet, whichever is greater.

2. No detached garage or other outbuilding shall be nearer than 75 feet from the front lot line nor nearer than 5 feet from any side or rear lot line.

3. No wall, fence, or hedge shall be erected across or along the front of any lot and nearer to the front lot line than the building setback line having a height of more than 3 feet.

4. No lot shall be recut without first obtaining the written permission of the Architectural Committee created under Article III hereof.
