

And Assignor does hereby authorize and empower Assignee to collect the said rents, issues, profits, revenues, royalties, rights, and benefits, as they shall become due, and does hereby direct each and all of the tenants of the aforesaid premises to pay such rents, as may now be due or shall hereafter become due to Assignee, upon demand for payment thereof by Assignee. It is understood and agreed, however, that no such demand shall be made unless and until there has been a default in the payment of the indebtedness secured by the deed of trust or mortgage herein mentioned, or default in the payment of any other sums secured by said deed of trust or mortgage, or default in meeting the terms and conditions appearing in said deed of trust or mortgage, or after the filing of a petition against Assignor in receivership, bankruptcy or proceeding in arrangement, whether it be voluntary or involuntary, or upon adjudication of Assignor in receivership, bankruptcy or proceeding in arrangement; and until such demand is made, Assignor is authorized to collect or continue collecting said rents, issues, profits, revenues, royalties, rights, and benefits; but that such privilege to collect or continue collecting, as aforesaid by Assignor shall not operate to permit the collection by Assignor, his heirs, executors, administrators, or assigns, of any installment of rent in advance of the date prescribed in said lease or leases for the payment thereof, without the prior written consent of the Assignee. Anything to the contrary notwithstanding, Assignor hereby assigns to Assignee any award made hereafter to it in any court procedure involving any of the leases in any bankruptcy, insolvency, or reorganization proceedings in any State or Federal court; and any and all payments made by lessees in lieu of rent. Assignor hereby appoints Assignee as its irrevocable attorney in fact to appear in any action and/or to collect any such award or payment.

The term of this assignment shall be until the certain note(s) and deed(s) of trust or mortgage(s) (or any extension or renewal thereof) dated September 6, 1979, made, executed, and delivered by

T.M.F. Company

to WACHOVIA BANK AND TRUST COMPANY, N.A., covering the above described property for the sum of Three Hundred

Twenty-five Thousand and no/100----- Dollars (\$ 325,000.00 )

shall have been fully paid and satisfied, or until the expiration of the period of redemption, if any, at which times this assignment is to be fully satisfied, cancelled and released, and the releasing of said deed of trust or mortgage shall constitute a release hereof.

This assignment is given as additional security for the performance of each and all of the obligations and covenants of the note and deed of trust or mortgage above described (or any extension or renewal thereof), and the amounts collected hereunder, less the expenses of collection, if any, shall be applied in reduction of the entire indebtedness from time to time outstanding and secured by said deed of trust or mortgage.

The Assignor, in the event of default in performance of any of the terms and conditions of said note and deed of trust or mortgage hereby authorizes the Assignee, at its option, to enter and take possession of the above described premises and the improvements situate thereon and to manage and operate the same, to collect all or any rents accruing therefrom and from said leases, to let or re-let said premises or any part thereof, to cancel and modify leases, evict tenants, bring or defend any suits in connection with possession of said premises in its own name or Assignor's name, make repairs as Assignee deems appropriate, and perform such other acts in connection with the management and operation of said premises as Assignee, in its discretion, may deem proper.

In the event (i) Assignee shall elect to exercise the right of entry granted herein or (ii) the premises herein described shall be sold through foreclosure, Assignor shall turn over to Assignee or to the purchaser at any foreclosure sale the security deposits held by Assignor, its agents or employees, pursuant to the leases herein assigned. Provided, however, Assignor shall not be obligated to deliver the security deposits unless and until Assignor shall have received the written undertaking of Assignee or purchaser to apply the security deposits to the purposes specified in the leases, in accordance with the terms and conditions thereof, to the extent that funds sufficient for such purposes shall be turned over to Assignee or purchaser by Assignor.

The receipt by the Assignee of any rents, issues, or profits pursuant to this instrument after the institution of foreclosure proceedings under said deed of trust or mortgage shall not cure such default nor affect such proceedings or any sale pursuant thereto.

Assignee shall not be liable for laches, or failure to collect said rents, issues, profits, revenues, royalties, rights, and benefits, and it is understood that said Assignee is to account only for such sums as are actually collected, and Assignee shall not be obligated to perform or discharge any obligation or duty to be performed or discharged by Assignor under any of said leases, and Assignor hereby agrees to indemnify Assignee for, and to save it harmless from, any and all liability arising from any of said leases or from this assignment, and this assignment shall not place responsibility for the control, care, management, or repair of said premises upon Assignee, or make Assignee responsible or liable for any negligence in the management, upkeep, repair, or control of said premises resulting in loss or injury or death to any tenant, licensee, employee or stranger.

Assignor covenants and represents that:

- (i) Assignor has full right and title to assign said leases and the rents, issues, profits, revenues, royalties, and benefits due or to become due thereunder;
- (ii) the terms of said leases have not been changed from the terms in the copies of said leases submitted to Assignee for approval;
- (iii) no other assignment of any interest therein has been made;
- (iv) there are no existing defaults under the provisions thereof;
- (v) there has been no anticipation or prepayment of any rents by any tenants occupying the above described premises or by any of the lessees in any of the said leases;
- (vi) Assignor will not hereafter cancel, surrender, or terminate any of said leases, exercise any option which might lead to such termination, or change, amend, alter or modify them, or consent to the release of any party liable thereunder or to the assignment of the lessees' interest in them, without the prior written consent of Assignee; and
- (vii) security deposits made or to be made with respect to leases of the hereinabove described premises shall be deposited to and kept in a separate bank account maintained by Assignor for that purpose in the name of the project and designated as the account for the deposit of security deposits and Assignor shall provide to Assignee within 30 days of the end of Assignor's fiscal year a written verification of the amount of security deposits maintained in said account together with a list of the leases with respect to which said deposits are maintained.
