This deed is executed and delivered to partition property heretofore conveyed to the grantor and grantee as tenants in common and for the purpose of correcting the originally intended proportionate interest of the grantor and grantee in the total property originally purchased which should have been an undivided 40% interest owned by the "Pension Plan" and an undivided 60% interest owned by the "Profit Sharing Plan". This deed is further executed and delivered to reflect these interests effective as of August 1, 1979.
