

22.6.3 In making distribution to Unit owners and their mortgagees, the Insurance Trustee may rely upon a certificate of the Association as to the names of the Unit owners and their respective shares of the distribution. Upon request of the Insurance Trustee, the Association shall forthwith deliver such certificate.

22.7 If any part of the Common Elements shall be damaged by casualty, such damaged portion shall be promptly reconstructed or repaired as hereinafter provided for unless such damage renders two-thirds or more of the Units untenable, and Unit owners, who, in the aggregate own 80% or more of the Units, vote against such reconstruction or repair at a meeting which shall be called within ninety (90) days after the occurrence of the casualty, or, if by such date, the insurance loss has not been finally adjusted, then within thirty (30) days after such final adjustment.

22.7.1 Any such reconstruction or repair shall be substantially in accordance with the Plans and Specifications to be prepared by an architect selected by the Association.

22.7.2 Encroachments upon or in favor of Units which may be created as a result of such reconstruction or repair shall not constitute a claim or basis of a proceeding or action by the Unit owner upon whose property such encroachment exists, provided that such reconstruction was either substantially in accordance with the Plans and Specifications or as the building was originally constructed. Such encroachment shall be allowed to continue in existence for so long as the building stands.

22.7.3 The Insurance Trustee may rely upon a certificate of the Association certifying as to whether or not the damaged property is to be reconstructed or repaired. The Association upon request of the Insurance Trustee, shall deliver such certificate as soon as practical.

22.8 If the damage is only to those parts of the Unit for which the responsibility of maintenance and repair is that of the Unit owner, then the unit owner shall be responsible for reconstruction and repair after casualty. In all other instances, the responsibility of reconstruction and repair after casualty shall be that of the Association. All such repair and/or reconstruction shall be accomplished pursuant to Plans and Specifications to be submitted to and approved by the Association, which Plans and Specifications shall be substantially the same as the original Plans and Specifications for such Unit.

22.8.1 Immediately after a casualty causing damage to property for which the Association has the responsibility of maintenance and repair, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in condition as good as that before the casualty. Such costs may include professional fees and premiums for such bond as the Directors of the Association desire.

22.8.2 If the proceeds of insurance policies are not sufficient to defray the estimated costs of reconstruction and repair by the Association (including the aforesaid fees and premiums, if any) assessment shall be made against all Unit owners in sufficient amounts to provide funds for the payment of such costs.

22.8.3 The funds for payment of costs of reconstruction and repair after casualty, which shall consist of proceeds of insurance held by
